CORRECTION: WAREHOUSE SERVICES - Competitive Sealed Bids - PIN# 069-05-310-0002 - DUE 8-19-2004 AT 3:00 PM

CORRECTION: OPMM's Bureau of Warehousing and Transportation is responsible for receiving, storing, and delivery purchased commodities, records and forms for HRA's 117 facilities, which are located throughout the five boroughs of the City of New York. OPMM's 42,000 square foot warehouse, located in a one-story building at 111 29th Street, Brooklyn, stores approximately 700 different commodities and forms. The selected contractor will assist OPMM in receiving, handling, delivering and picking-up of commodities and forms. The contractor will assist OPMM to fulfill these responsibilities Monday through Friday, from 8:30 a.m to 4.30 p.m. It is estimated that the services provided by the contractor for OPMM can be performed, on average, in 1,019 man-hours each month.

A mandatory pre-bid conference will be held on Monday, August 02, 2004 at 10:00 am Sharp at 2 Washington Street, New York, NY in the Conference room on the 22nd Floor.

DELIVERY SERVICES (PARTNERSHIP NOTIFICATION) - Other - PIN# MDC-05-0994 - DUE 8-18-2004 AT 5:00 PM

Mail, Package and Freight

### INTRODUCTION

The New York City Marketing Development Corporation (NYC Marketing) is a not-for-profit local development corporation serving the City of New York as it's central office for licensing, corporate sponsorship, brand management, media management, advertising and marketing.

NYC Marketing develops new types of public-private partnerships by creating value from the City's unique assets, images and resources. These partnerships include corporate sponsorship and product licensing agreements designed to generate revenue and benefit the City and the partner without raising taxes.

### OFFICIAL MARKETING PARTNERSHIP: DELIVERY SERVICES

On behalf of the City of New York, NYC Marketing is pursuing an exclusive marketing partnership in the Delivery Services category.

NYC Marketing anticipates creating a ground-breaking, unique and customized partnership which may include traditional and non-traditional sponsorships, official designations, marketing, media, events, hospitality and community elements to accomplish the City's and the potential partner's objectives.

### NEXT STEPS

To ensure that the best partners for the City have been identified, all potential partners who meet the minimum requirements listed herein and who are interested in being considered for a partnership should contact the NYC Marketing Senior Vice President for Sales and Partnership Development.

Interested companies should provide documentation showing that the potential partner meets the minimum qualifications. The deadline for responses from interested parties is 5:00 PM EST on August 18, 2004.

### MINIMUM QUALIFICATIONS

Potential partners in this category must meet the following minimum qualifications:

1. An industry leader in the delivery services category with significant domestic and international business operations and a marketing presence around the world
2. Sound financial foundations
3. A demonstrated ability and desire to support critical City initiatives which complement the potential partner's community and business goals

## Description

BRONX TERMINAL MARKET RELOCATION SERVICES CONSULTANT – Request for Proposals – DUE 08-09-04 AT 4:00 P.M. – For business relocation consulting services for the in-place tenants of the Bronx Terminal Market (the “Market”). The Market is located along Exterior Street and Cromwell Avenue, between East 149 Street and Yankee Stadium, in the South Bronx. It consists of seven (7) occupied buildings, with a total of 23 food-related tenants. Tenant spaces range in size from approximately 6,000 to 52,000 square feet. In conjunction with NYCEDC, a development entity affiliated with The Related Companies, a New York real estate developer, expects to seek approvals to redevelop the property occupied by the Market as a shopping center. The plan requires the Market buildings be vacated, in order for the shopping center to be constructed.

NYCEDC will coordinate relocation assistance for in-place commercial tenants and is seeking a consultant to support these efforts. The consultant will develop a relocation assistance strategy and, working closely with NYCEDC and the City, manage all day-to-day aspects of this relocation assistance effort on NYCEDC’s behalf.

NYCEDC plans to select a consultant on the basis of factors including, but not limited to: the quality of the proposals, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the proposed fee. NYCEDC reserves certain rights, including, but not limited to, the rights to waive irregularities and reject any or all proposals in its sole and absolute discretion. NYCEDC plans to select a consultant in August 2004.

All questions related to this RFP should be directed via e-mail to [BTMRCrfp@nycedc.com](mailto:BTMRCrfp@nycedc.com) by Wednesday, July 14, 2004. No questions will be accepted after that date. All questions and answers will be available to all potential respondents by close of business on Monday, July 19, 2004 at [www.nycedc.com/BTMRCrfp](http://www.nycedc.com/BTMRCrfp). No contact with NYCEDC or the Related Companies regarding issues raised by this RFP will be permitted.

Detailed submission guidelines and requirements are outlined in the RFP, available as of June 29, 2004 from NYCEDC, 110 William Street, 6th Floor, New York, NY 10038. RESPONSES ARE DUE NO LATER THAN 4:00 p.m., Monday, August 9, 2004. Three copies of the proposal, as described in Section VIII of the RFP, should be sent to 110 William Street, 6th Floor, New York, NY 10038, Attention: Paul Tamboia, Agency Chief Contracting Officer, Vice President, Administration. For more information and to get a copy of the RFP, visit [www.nycedc.com/BTMRCrfp](http://www.nycedc.com/BTMRCrfp) or call (212) 312-3969.

## Description

ST. GEORGE FERRY TERMINAL TILE AND TERRAZZO AND SITE IMPROVEMENTS – Public Bid – PIN# 11490019 AND 11490021 – DUE 08-05-04 AT 11:00 A.M. – The New York City Economic Development Corporation, in conjunction with the New York City Department of Transportation, is currently seeking interested contractors to participate in the phased rehabilitation of the St. George Ferry Terminal located on Staten Island. This Project is in progress and the existing Terminal building is being completely rehabilitated.

Construction has been planned and is being performed in phases to ensure that the ferry operations continue safely, without interruption throughout the construction period. This multi-million project will be completed in December of 2004.

The estimated total construction cost of the project is approximately \$80 to \$90 million and is funded by New York State, New York City, and the US DOT FTA. At the present time, Invitations to Bid are being made for two (2) contract packages:

(1) EDC Contract 11490019: Tile and Terrazzo

Work includes: Wall Tile, Composite Stone Floor Tile, Poured Epoxy Terrazzo (3800 sq. ft.), Gypsum Boad Assemblies, Expansion Joint covers. Work associated with these areas, e.g. Grout, is also included.

(2) EDC Contract 11490021: Site Improvements

Work includes: Limited Site Demolition (Sidewalk and Curb), Milling (limited), Drainage and Dewatering (limited), Portland Cement Steel-Faced Curbs, Grout, Concrete and Asphaltic Concrete Sidewalks and Driveways, Concrete and Asphalt Unit Pavers, Fences and Gates, Steel Pipe Bollards, Site Furnishings, Exterior Plants, Signage and Wayfinding, Double Cantilever Sign Structure, Ornamental Handrails and Railings, Ornamental Metal Work. Work associated with these areas is also included.

11% DBE participation is required. The successful bidder will be required to provide a Payment and Performance Bond and a 10% Proposal (Bid) Bond.

Bid Packages can be obtained as of July 6th 2004, by sending a written request to the Site Office of EDC, located at 1 Richmond Terrace, Staten Island, NY 10301, attention of Mr. Tarek Hatab, Fax Number (718) 981-9948. Each interested Bidder will pay for shipping only of the Bid package(s). Please provide FedEx/UPS/other account number for shipment charge. When requesting this package, please refer to the respective contract numbers.

DISTRIBUTION ANCILLARY WATER MAIN WORK WITHIN THE NEW YORK BOTANICAL GARDENS AREA - Sole Source / Single source - PIN# 82604BOTGRDN - DUE 7-19-2004 AT 4:00 PM

To enter into an Agreement with The New York Botanical Garden for Distribution/Ancillary Water Main work within the New York Botanical Gardens Area. This contract will allow the New York Botanical Gardens to install an 8” water main and pump station to provide adequate fire protection throughout the grounds of the Gardens. This determination was made because the Botanical Gardens is the only entity that has the unique knowledge and experience to perform the work in a manner that will preserve and protect the Garden`s rare flora and fauna and prevent possible damage to the historic displays and rare plant collections that abound in and around the work area. it is absolutely imperative that NYBG conduct this work. Any firm which believes it can also provide the required service is invited to do so, indicated by letter, which must be received no later than July 19, 2004, at: Department of Environmental Protection, Agency Chief Contracting Officer, 59-17 Junction Boulevard, 17th Floor, Flushing, New York 11373, Attention: Ms. Debra Butlien (718) 595-3423.

RENTAL ASSISTANCE - Negotiated Acquisition / Other - PIN# 071-04S-003-759 - DUE 7-1-2004 AT 2:00 PM

The Department of Homeless Services (DHS) is entering into negotiations with Brooklyn Community Housing and Services located at 105 Carlton Avenue, Brooklyn, N.Y. 11205 to provide a Rental Assistance Program for Homeless Adults. This contract will be done via Negotiated Acquisition pursuant to Section 3-04(b)(2)(iii) of the Procurement Policy Board Rules to extend the underlying contract for two years to ensure that matching HUD funding is not withdrawn and that services currently available to these clients to help them achieve and maintain permanent housing in order for them not to return to the shelter system.

It is anticipated that the extension contract with the Brooklyn Community Housing and Services will be from July 1, 2004 to June 30, 2006.

Qualified vendors that are interested in providing homeless services for adults in the future may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer, Department of Homeless Services, 33 Beaver St. 13th Floor, N.Y., N.Y. 10004  
Compelling need to extend for two-years.

## Description

LEGAL SERVICES IN SUPPORT OF PRIVATE MARKET INVESTMENTS – CP/2 – PIN: 0150488600 – DUE 07-19-04 AT 4:00 P.M – Experienced law firms are invited to submit proposals for transactional work in connection with a range of private market investments to be made by the New York City retirement systems and pension funds (collectively the “Systems”). Private market investments include primarily those in the area of alternative investments such as, but not limited to, investments in private investment funds, including domestic and international funds of varying types, including venture capital, corporate finance, real-estate opportunity funds, funds-of-funds and special situations funds with strategies such as mezzanine or distressed debt, as well as those involving the purchase and sale of private securities. Allocation of the Systems’ nearly \$85 billion for alternative investments range from 3 to 5% for private equity and 3 to 6% for real estate.

The Comptroller’s Office and the Law Department intend to engage a pool of law firms that are qualified to serve as Investment Counsel to the Systems for a multi-year term. Investment Counsel will be responsible for reviewing, negotiating, and if required, drafting, all transaction documents, including, but not limited to partnership agreements, subscription agreements, management agreements, guarantee agreements, financing agreements, legal opinions and other similar and related documents. Investment Counsel will also be responsible for performing legal due diligence in connection with the above investments, identifying new issues, providing advice on selected issues and presenting issues to the Boards of Trustees of the Systems. Other services relating to the foregoing may be requested from time to time.

The Request for Proposals (RFPs), which describes the minimum requirements, scope of work and proposal submission procedures, is available for download from the Comptroller’s Website at [www.comptroller.nyc.gov](http://www.comptroller.nyc.gov). To register for downloading the RFP, select “Asset Management”, then “RFPs”.

LEAD SAFE HOUSE OUTREACH/CASE MANAGEMENT - Negotiated Acquisition / Other - PIN# 81605LP16601ROX00 - DUE 6-28-2004 AT 5:00 PM

Bureau of Lead Poisoning Prevention, intends to enter into negotiations with the current provider, Northern Manhattan Improvement Corporation, located at 76 Wadsworth Avenue, New York, NY 10033, to provide Lead Safe House Services in order to continue to provide these critical services without interruption. It is anticipated that the contract term will be from July 1, 2004 through June 30, 2005. The negotiated acquisition method has been selected in order to avoid a lapse in service which would occur while contract negotiations are completed with the vendor selected through a competitive RFP selection process which was issued on 2/23/04.

Organizations interested in responding to future solicitations for these services are invited to do so by calling the New York City Vendor Enrollment Center at (212) 857-1680 to request a Vendor Enrollment application, or fill one out on-line by visiting [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc).

TECHNOLOGICAL SERVICE ENHANCEMENTS – DUE 07-23-04 AT 5:00 P.M.

This Request for Information (RFI) seeks to gauge the various options available for implementation of technological service enhancements in all New York City medallion taxicabs by November 1, 2005, as mandated by the Board of Commissioners on March 30, 2004.

Among the technological enhancements approved by the Board of Commissioners are:

- 1 Vehicle location/tracking technology
- 1 Text-messaging capability
- 1 Credit/debit card payment capability
- 1 An interactive or semi-interactive passenger information monitor

Information about all or any of the above technological service improvements, as well as ideas regarding part or parts of any one enhancement, or modifications related to the enhancements, are welcome from the taxicab industry, as well as potential vendors and the riding public.

ADULT SERVICES - Negotiated Acquisition / Other - PIN# 071-04S-003-750 - DUE 7-1-2004 AT 2:00 PM

The Department of Homeless Services (DHS) is entering into negotiations with Samaritan Village located at 138-02 Queens Boulevard, Briarwood NY 11435 to provide shelter services for Homeless Adults located at 338 Forbell Street, Brooklyn, NY 11208. This contract will be done via Negotiated Acquisition pursuant to Section 3-04 (b)(2)(iii) of the Procurement Policy Board Rules to extend the underlying contract for two (2) years to allow the agency sufficient time to reassess the program model/budget for clients with a history of substance abuse as well as reissue the Request for Proposals for which no technically viable proposal was received.

It is anticipated that the extension contract with Samaritan Village will be from July 1, 2004 to June 30, 2006.

Qualified vendors that are interested in providing homeless services for adults in the future may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer, Department of Homeless Services, 33 Beaver St., 13 Floor NY, NY 10004.

Compelling need to extend for two-years.

**Description**

ENGINEERING DESIGN SERVICES - Innovative Procurement / Judgment required - DUE 7-14-2004 AT 4:00 PM

DOUGLASTON POND - PIN# 8502005IN0037P  
BAISLEY POND PIN# 8502005IN0038P

(A) To use an innovative procurement method for two contracts, pursuant to Procurement Policy Board (PPB) Rule Section 3-12, Innovative Procurement Methods.

(B) Contract Descriptions, PINs and estimated dollar value:

The services to be procured are for engineering design services to study and define the drainage area and prepare design drawings for new sewers, Best Management Practice facilities and mitigation area as required by the drainage plan, including grading plans, soil erosion sediment control plans and full landscaping restoration plans for (1) Douglaston Pond Blue Belt, PIN 8502005IN0037P, estimated value \$300,000 and (2) Baisley Pond Blue Belt, PIN 8502005IN0038P, estimated value \$200,000.

(C) This method serves the best interests of the City by allowing the agency to procure the highest quality service at a fair and reasonable cost. It differs most significantly from the methods currently available in the rules by allowing the decision regarding the best firm to undertake the work to take place prior to cost consideration. Section 3-03(g) of the rules mandates that award be based on price and other factors or criteria as set forth in the RFP. The overall requirement for cost consideration will be preserved in that the failure to arrive at a fair and reasonable fee with the top ranked firm within a reasonable time period will result in rejection of that firm and the initiation of fee negotiations with the next highest ranked firm, however, discussion of cost will only occur with the top ranked firm unless and until such firm is removed from consideration.

(D) The method proposed for this contract involves an open Request for Qualifications (“RFQ”), which the agency will publish, send to all vendors currently on the applicable citywide bidder lists and/or the agency’s prequalified lists, and distribute widely, including via appropriate trade publications. Firms may express interest in providing the desired services by responding to the RFQ. Initial submissions will be required to set forth proposers’ qualifications to undertake the work, including relevant experience with similar projects, and will be evaluated by a committee, which will include an outside professional peer as one member, along with at least three City employees. Participating professional peer evaluators will be selected by the agency from a pool of qualified volunteer professional peers; each volunteer professional peer selected for a particular evaluation committee will be required to certify that he/she will participate in an impartial manner and that neither he/she nor any family member nor any firm affiliated with either has any interest in the particular procurement which the committee will review. Initial evaluations will be based upon the proposers’ demonstrated qualifications and their respective demonstrated quality of relevant experience. From this pre-qualified pool, the agency will solicit proposals for each of these two projects. The proposals will be ranked by the same evaluation committee, taking into account the quality of their proposed approaches to the projects, and the City will commence fee negotiations with the highest technically ranked firm for each project.

This method will be implemented within the next two months, but in no event sooner than July 15, 2004. Expressions of interest regarding the method to be used should be sent to Donald Hooker, DDC Agency Chief Contracting Officer, 30-30 Thomson Avenue, Long Island City, New York 11101, and all comments will be considered prior to advertisement of the RFQ for each contract. Comments shall be submitted no later than July 14, 2004.

(E) This method will be evaluated to determine whether it is in the City’s best interest to codify the method used within the Procurement Policy Board rules.

FOR PROCESSING AND BENEFICIAL REUSE OF NYCDEP BIOSOLIDS - Contract with another Government - PIN# 826041141PBS - DUE 7-2-2004 AT 4:00 PM

Pursuant to Section 3-13 of the PPB Rules, DEP, Bureau of Wastewater Treatment intends to enter into an Agreement with Passaic Valley Sewerage Commissioners ("PVSC"), for Processing and Beneficial Reuse of NYCDEP Biosolids. The DEP has determined to use this procurement method because PVSC has performed this type of work for a number of other government entities. This agreement will: 1) provide for the uninterrupted management for all biosolids generated by the Oakwood Beach and Port Richmond WPCP's during the Oakwood Beach WPCP shutdown for major repairs, 2) provide for dewatering and processing of NYCDEP biosolids to a Class A product, 3) provide for final disposition through beneficial reuse of NYCDEP biosolids and 4) Provide for all required testing and regulatory reporting. Any "intellectual product" developed will be public domain. Qualified suppliers that wish to express their interest in providing such services in the future are invited to submit expressions of interest, which must be received no later than July 2, 2004, at: Department of Environmental Protection, Agency Chief Contracting Officer, 59-17 Junction Boulevard, 17th Floor, Flushing, New York 11373, Attention: Ms, Debra Butlien (718) 595-3423).

**Description**

ARCHITECTURAL AND ENGINEERING SERVICES - Innovative Procurement / Judgment required - PIN# 8502005IN0036P - DUE 7-13-2004 AT 4:00 PM

- (A) To use an innovative procurement method pursuant to Procurement Policy Board (PPB) Rule Section 3-12, Innovative Procurement Methods.
- (B) The services to be procured are architectural and engineering services for the establishment of the Children’s Library Discovery Center requiring the renovation and outfitting of a 14,000 square foot annex building adjacent to the Central Library building and approximately 7,800 square foot area in the Central Library Building. The Discovery Center will provide for exhibit space and an innovative environment for children to develop the skills necessary for research and higher learning. The PIN is 8502005IN0036P and the approximate value of the contract is \$800,000.
- (C) This method serves the best interests of the City by allowing the agency to procure the highest quality service at a fair and reasonable cost, but in a highly expedited fashion. It differs most significantly from the methods currently available in the rules by allowing the decision regarding the best supplier to undertake the work to take place prior to cost consideration. Section 3-04(b)(4) of the rules mandates that the agency negotiate with all qualified suppliers with the understanding that such negotiation shall consider cost in determining the selection of the supplier. The overall requirement for cost consideration will be preserved in that the failure to arrive at a fair and reasonable fee with the top ranked firm within a reasonable time period will result in rejection of that firm and the initiation of fee negotiations with the next highest ranked firm, however, discussion of cost will only occur with the top ranked firm unless and until such firm is removed from consideration.
- (D) The method proposed for this contract involves a negotiated acquisition, beginning with a notice of intent to enter into negotiations with suppliers recognized by DDC as qualified to supply the necessary services, followed by negotiations with these already recognized suppliers. In addition, pursuant to Section 3-4(b)(4), DDC reserves the right to enter into negotiations with any qualified supplier including those who express interest as a result of the required public notice. Such negotiations shall include, but not be limited to, past experience, project methodology, staffing, and capability. At the conclusion of the negotiations, which shall take not more than two weeks, the City will commence fee negotiations with the highest technically ranked supplier.

This method will be implemented within the next two months, but in no event sooner than July 14, 2004. Expressions of interest regarding the method to be used should be sent to Donald Hooker, DDC Agency Chief Contracting Officer, 30-30 Thomson Avenue, Long Island City, New York 11101, and all comments will be considered prior to advertisement of the notice of intent to enter into negotiations. Comments shall be submitted no later than July 13, 2004.

- (E) This method will be evaluated to determine whether it is in the City’s best interest to codify the method used within the Procurement Policy Board rules.

IMPLEMENT ANTICIPATED CHANGES IN HIGH SCHOOL ADMISSION POLICY – Negotiated Acquisition – PIN# 1B645040 – To enter into a Negotiated Acquisition to amend a contract with Spherion Technology Architects for the provision of a High School Applications Processing System. The basis for using the Negotiated Acquisition process is pursuant to Section 3-01(d)(1)(iv) of the PPB rules. The new High School Admissions Process was developed to match students to programs/high schools of their choice. This year some large high schools, which these students selected among their choices, will not be accepting 9th grades in September 2004. For these reasons and to give students more choices, it was decided to include in the admissions process forty-seven (47) new high schools, which were announced in early March. There are three rounds in the admissions process: Round 1 includes students who auditioned for LaGuardia's programs; Round 2 includes all other students; and Round 3 includes students not matched to a program/high school in Round 2. The new schools are being added to Round 2 of the admissions process, thereby increasing student choices, as well as the number of seats available for matching. Adding newly established high schools to the admissions process requires modifications and enhancements to Spherion's scope of work, thus resulting in additional costs. The amendment will increase the contract amount by \$432,935 for the period March 1, 2004 through June 30, 2004, and by \$291,684 for the period commencing on December 1, 2004 through November 30, 2006.

## Description

ARCHITECTURAL AND ENGINEERING SERVICES - Innovative Procurement / Judgment required - PIN# 8502005IN - DUE 7-12-2004 AT 4:00 PM

(A) To use an innovative procurement method for thirty-two contracts, pursuant to Procurement Policy Board (PPB) Rule Section 3-12, Innovative Procurement Methods.

(B) The services to be procured are architectural and engineering design services for projects within the Structures Division, and will be comprised of eight contracts for generic projects that have construction estimates between \$5,000,000 and \$15,000,000, and twenty-four contracts for small projects that have construction estimates less than \$5,000,000. PINs, and estimated dollar values are as follows:

PIN 8502005IN0004P	Generic A/E Contract, estimated value \$5,000,000,
PIN 8502005IN0005P	Generic A/E Contract, estimated value \$5,000,000,
PIN 8502005IN0006P	Generic A/E Contract, estimated value \$5,000,000,
PIN 8502005IN0007P	Generic A/E Contract, estimated value \$5,000,000,
PIN 8502005IN0008P	Generic A/E Contract, estimated value \$5,000,000,
PIN 8502005IN0009P	Generic A/E Contract, estimated value \$5,000,000,
PIN 8502005IN0010P	Generic A/E Contract, estimated value \$5,000,000,
PIN 8502005IN0011P	Generic A/E Contract, estimated value \$5,000,000.

PIN 8502005IN0012P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0013P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0014P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0015P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0016P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0017P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0018P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0019P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0020P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0021P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0022P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0023P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0024P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0025P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0026P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0027P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0028P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0029P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0030P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0031P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0032P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0033P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0034P	Small A/E Projects, estimated value \$3,000,000,
PIN 8502005IN0035P	Small A/E Projects, estimated value \$3,000,000.

(C) This method serves the best interests of the City by allowing the agency to procure the highest quality service at a fair and reasonable cost. It differs most significantly from the methods currently available in the rules by allowing the decision regarding the best firm to undertake the work to take place without cost consideration. Section 3-03(g) of the rules mandates that award be based on price and other factors or criteria as set forth in the RFP. The overall requirement for cost reasonableness will be preserved in that pre-determined pricing will be provided in the RFP that is based on historical pricing from A/E contracts previously awarded by DDC, adjusted by pricing data received from the New York State OGS for contracts awarded under the federal Brooks Law procurement method.

(D) The method proposed for these contracts involves an open RFP, which will comport in all respects with PPB Rule Sections 3-03(a), (c) and (d)(1), and the other provisions of Section 3-03 except as modified in the manner described herein. Firms may express interest in providing the desired services by responding to each RFP. The agency will distribute the RFPs widely, including via appropriate trade publications. Each RFP will result in a series of requirement contracts with the assignment of individual projects based on a subsequent request for technical proposals unique to the project, from amongst all available contract holders. The subsequent technical proposals will include, but not be limited to methodology and staffing, with the award for each project going to the highest ranked firm proposing for that project so that each project is matched with the best qualified firm. The submissions will be ranked by a proposal evaluation committee, which will include at least one outside professional peer as a member, along with at least three City employees. Participating professional

## Description

peer evaluators will be selected by the agency from a pool of qualified volunteer professional peers; each volunteer professional peer selected for a particular evaluation committee will be required to certify that he/she will participate in an impartial manner and that neither he/she nor any family member nor any firm affiliated with either has any interest in the particular procurement which the committee will review. The evaluation committee will evaluate the technical proposal from each firm, based upon the proposer's demonstrated qualifications and quality of relevant experience, and will award requirement contracts to the highest ranked firms. No firm will be awarded more than one contract.

(E) This method will be implemented within the next two months. Expressions of interest regarding the method to be used should be sent to Donald Hooker, DDC Agency Chief Contracting Officer, 30-30 Thomson Avenue, Long Island City, New York 11101, and all comments will be considered prior to advertisement of the RFP for each contract. Comments shall be submitted no later than July 12, 2004.

(F) This method will be evaluated to determine whether it is in the City's best interest to codify the method used within the Procurement Policy Board rules.

## Description

ARCHITECTURAL AND ENGINEERING SERVICES - Innovative Procurement / Judgment required - DUE 7-12-2004 AT 4:00 PM

REMSEN AVE. REPAIR FACILITY RECONSTRUCTION - PIN# 8502005IN0001P

COLUMBIA STREET RECONFIGURATION AND PARK PIN# 8502005IN0002P

MEADOWMERE STREET RECONFIGURATION AND PARK PIN# 8502005IN0003P

(A) To use an innovative procurement method for three contracts, pursuant to Procurement Policy Board (PPB) Rule Section 3-12, Innovative Procurement Methods.

(B) Contract Descriptions, PINs, and estimated dollar value:

Architectural and Engineering Services for the Remsen Avenue Repair Facility Reconstruction PIN 8502005IN0001P, estimated value \$2,500,000,

Engineering Design Services for Columbia Street Reconfiguration and Park PIN 8502005IN0002P, estimated value \$300,000 and

Engineering Design Services for Meadowmere Street Reconfiguration and Park PIN 8502005IN0003P, estimated value \$1,000,000.

(C) This method serves the best interests of the City by allowing the agency to procure the highest quality services at a fair and reasonable cost. It differs most significantly from the methods currently available in the rules by allowing the decision regarding the best qualified firm to undertake the work to take place prior to cost consideration. PPB Rule 3-03(g) now mandates that award be based on price and other factors or criteria as set forth in the RFP. The overall requirement for cost consideration will be preserved in that the failure to arrive at a fair and reasonable fee with the top ranked firm within a reasonable time period will result in rejection of that firm and the initiation of fee negotiations with the next highest ranked firm, however, under the proposed method discussion of cost will only occur with the top ranked firm unless and until such firm is removed from consideration.

(D) The method proposed involves a two-stage selection process, beginning with an open request for proposal (RFP), which will comport in all respects with PPB Rule Sections 3-03(a), (c) and (d)(1), and the other provisions of Section 3-03 except as modified in the manner described herein. Suppliers may express interest in providing the desired services by responding to the each contract RFP. The agency will distribute the RFP widely, including via appropriate trade publications. Initial submissions will be required to set forth proposers' qualifications to undertake the work, and examples of relevant projects from proposers' portfolios of prior work. At the first stage of this process, the portfolio submissions will be ranked by a proposal evaluation committee, which will include an outside professional peer as one member, along with at least three City employees. Participating professional peer evaluators will be selected by the agency from a pool of qualified volunteer professional peers; each volunteer professional peer selected for a particular evaluation committee will be required to certify that he/she will participate in an impartial manner and that neither he/she nor any family member nor any firm affiliated with either has any interest in the particular procurement which the committee will review. At the first stage of the selection process, evaluations will be based upon the proposers' demonstrated qualifications and their respective demonstrated quality of relevant experience. For the second stage of the process, that same evaluation committee will undertake discussions with and/or invite the top-ranked proposers from the first stage to supplement their submissions to address the proposers' approach to one or more of the specific projects identified below. The committee will then rank the proposers according to the quality of their proposed approaches. At the conclusion of the second stage the City will commence fee negotiations with the highest technically ranked firm.

This method will be implemented within the next two months. Expressions of interest regarding the method to be used should be sent to Donald Hooker, DDC Agency Chief Contracting Officer, 30-30 Thomson Avenue, Long Island City, New York 11101, and all comments will be considered prior to advertisement of the RFP for each contract. Comments shall be submitted no later than July 12, 2004.

(E) This method will be evaluated to determine whether it is in the City's best interest to codify the method used within the Procurement Policy Board rules.

SMOKING CESSATION PROGRAM IN STATEN ISLAND - Negotiated Acquisition / Judgment required - PIN# 81604TC56301r0x00 - DUE 7-2-2004 AT 4:00 PM

To enter into negotiations with a general medical hospital on Staten Island to implement the Department's smoking cessation registry. This project is designed to promote systematic screening and counseling of tobacco users by all health care providers and promote cessation services in the community. The Contractor shall provide all necessary support (office space and equipment) for staff hired by this project. It is anticipated that the contract term will be from August 1, 2004 to July 31, 2007. The negotiated acquisition method has been selected due to a time sensitive situation where a supplier must be retained quickly, there is a compelling need for goods and services and there are a limited number of suppliers available who are able to perform the work. Organizations interested in responding to future solicitations for these services are invited to do so by calling the New York City Vendor Enrollment Center at (212) 857-1680 to request a Vendor Enrollment application, or fill one out on-line by visiting [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc)

CONSTRUCTION MANAGEMENT SERVICES FOR CONTRACTS 5G,E,H AND P FOR THE PAERDEGAT BASIN CSO, WATER QUALITY FACILITY, PHASE III - Negotiated Acquisition / Specifications not definite - PIN# 82604WP00931 - DUE 6-18-2004 AT 11:30 AM

To enter into a Negotiated Acquisition with Hazen and Sawyer, P.C., for Construction Management Services for Contract 5G,E,H and P for the Paerdegat Basin CSO, Water Quality Facility, Phase III. The basis for using the Negotiated Acquisition process is Pursuant to Section 3-04 (b)(2)(i)(D) of the PPB Rules, there are compelling programmatic reasons to retain Hazen and Sawyer, P.C. for a later Phase for the Construction Management Services for Contracts 5G,E, H and P for the Paerdegat Basin CSO, Water Quality Facility, Phase III. In the case of this ongoing construction project, it is critical that the engineering services for the successive phases of the project are performed by the consultant who has performed the preliminary work since the need cannot be timely met through competitive sealed bidding or competitive sealed proposals, In view of Hazen and Sawyer's satisfactory performance of its current work on this project and its familiarity with all aspects project, it is in the City's best interest to procure this contract as a negotiated acquisition. The projected contract start date is December 23, 2004 and the projected end date is December 22, 2008. Any firm which believes it can also provide this category of service and would like to be considered for future related work, is invited to contact the Agency at: Department of Environmental Protection, Agency Chief Contracting Officer, 59-17 Junction Boulevard, 17th Floor, Flushing, New York 11373, Attention: MS Debra Butlien (718)595-3423.

BID EXTENSION: THERMOPLASTIC MARKINGS - Competitive Sealed Bids - PIN# 84104MBTR673 - DUE 7-1-2004 AT 11:00 AM

BID EXTENSION: Installation, Refurbishment and Scarification of Thermoplastic Pavement Markings on City Streets, in the Boroughs of The City of New York. A deposit of \$50.00 in the form of a certified check or money order made payable to New York City Department of Transportation is required to obtain contract/proposal documents. NO CASH ACCEPTED. Refund will be made only for contract/proposal documents that are returned in its original condition. Any persons delivering bid documents must enter the building through 220 Church Street, New York, NY. Due to increased building security, bidders should allow extra time when delivering bids and should ensure that proper identification is available upon request. Please ensure that your company's address, telephone and fax numbers are submitted by your company (or messenger service) when picking-up contract documents. For additional information, please contact Michael Tomlinson at (718) 433-3164

CHILD AND ADULT CARE FEEDING PROGRAM - Competitive Sealed Bids - PIN# 25012004S - DUE 7-7-2004 AT 9:30 AM

The program was established to ensure that children (ages 6-18) can be provided with healthy, well balanced meals during their school year. Snack and Dinner will be available to all children meeting the age requirements in each development. Each serving must be nutritious, well balanced, and appetizing and they must also meet the necessary meal pattern requirements. Meals are served according to the Department of Health guidelines therefore the program will begin September 1, 2004 to October 31, 2005. Locations serving a snack will begin at 2:30PM to 3:30PM and a dinner from 5:30PM to 6:30 PM. We are looking forward to serving 4,000 meals citywide throughout the 114 New York City Housing Authority Community Centers.

MAINTENANCE AND REPAIR OF ELEVATORS CITYWIDE - Negotiated Acquisition / Other - PIN# 071-04S-001-792 - DUE 6-14-2004 AT 2:00 PM

The Department of Homeless Services (DHS) is entering into negotiations with Richmond Elevator Company, to continue to provide maintenance and repair of elevator systems citywide. This contract will be done via Negotiated Acquisition pursuant to Section 3-04 (b)(2)(iii) of the Procurement Policy Board Rules to extend the underlying contract for six-months to allow DHS sufficient time to complete the competitive sealed bid process for a new award.

It is anticipated that the extension contract with Richmond Elevator Company will be from July 1, 2004 to December 31, 2004.

Qualified vendors that are interested in providing this service in the future, may contact: Janine Woodley, Deputy Agency Chief Contracting Officer, Department of Homeless Services, 33 Beaver St., 13 Floor NY, NY 10004. Compelling need to extend for six-months

## Description

PERFORMANCE OF A/E DESIGN SERVICES ON A CALL-IN BASIS DURING 2005, 2006 AND 2007 – CSB – DUE 06-21-04 AT 2:30 P.M. – Firms interested in providing architectural and engineering services to The Port Authority of New York and New Jersey are encouraged to submit a copy of the Professional and Technical Service Firm Questionnaire (PSFQ) available on our website at [www.panynj.gov](http://www.panynj.gov) along with the required supplemental information. If you have previously submitted a PSFQ and supplemental information that is no longer current or complete, you may update your information at this time. All firms are allowed to update their previous submissions at this time. All supplemental information must be submitted in the following format: one compact disk and one paper copy.

The completed questionnaire and supplemental information shall serve as your pre-qualification submission. Firms deemed most qualified based on information contained in this submission shall be issued a Request for Proposal (RFP) package for specific services under the Engineering Department's upcoming 2005 – 2007 Architectural and Engineering Design Services "Call-In" Program. The program provides for performance of professional services within the following disciplines:

- Architectural Design
- Civil Engineering
- Electrical Engineering
- Environmental Engineering
- Geotechnical Engineering
- Mechanical Engineering
- Structural Engineering
- Traffic Engineering

RFPs will be issued to firms pre-qualified under any of the multiple service areas, under each of the disciplines listed. Firms chosen through the subsequent RFP process will be put on the Authority's roster of "call-in" vendors for performance of A/E services as the need arises.

All completed questionnaires, and supplemental information, must be submitted to The Port Authority of New York & New Jersey, One Madison Avenue, 7th Floor, New York, NY, 10010, Attn: Ms. Mary Lou Rivera, Contract Administrator, by Monday, June 21, 2004. Questions should be directed to Ms. Mary Lou Rivera via fax at (212) 435-3992.

**Description**

BUSH TERMINAL PIER 6 DEVELOPMENT BROOKLYN – Request for Expressions of Interest – DUE 07-02-04 AT 4:00 P.M. – The New York City Economic Development Corporation (NYCEDC), acting on behalf of the New York City Department of Small Business Services, requests expressions of interest for a potential lease of Pier 6 at Bush Terminal (the “Site”), located between Gowanus Bay and First Avenue at the foot of 42nd Street in Sunset Park, Brooklyn. NYCEDC’s goal is to encourage maritime-related use of the Brooklyn waterfront, increase economic activity and job opportunities in the area, and maximize financial return to the City.

The Site is currently vacant. Respondents will be given the opportunity to request a minimum five-year lease. The use of the Site must include maritime-related industrial or recreational activities and must conform to uses permissible in an M3-1 zoning district. The Site is unimproved; however, the addition of temporary or permanent structures will be encouraged, subject to NYCEDC approval, NYC Building Regulations, NYC Waterfront Revitalization. Plan, and design limitations of the pier facility. There will be a site visit on June 11, 2004; details concerning the site visit are included in the RFEI.

Questions should be directed to David Alvarez at [bt6rfei@nycedc.com](mailto:bt6rfei@nycedc.com). Answers to all questions will be posted by June 18, 2004 to <http://www.nycedc.com/bt6rfei>.

Detailed submission guidelines and requirements are outlined in the RFEI, available as of June 1, 2004. For more information and to request or download a copy of the RFEI, call (212) 312-3969 or visit <http://www.nycedc.com/bt6rfei>. Interested parties must respond to this RFEI to be considered for any future contracts related to this site. Please submit five (5) sets of your response.

ALTERNATIVES TO INCARCERATION - Negotiated Acquisition / Other - PIN# 00204DMPS12A - DUE 6-11-2004 AT 3:00 PM

CJC intends to enter into negotiations with only the existing providers of alternatives to incarceration services for the provision of services to criminal defendants who would otherwise be likely to serve time in jail or prison.  
 In accordance with Section 3-01(d)(1)(iv) of the Procurement Policy Board rules, CJC intends to use the negotiated acquisition process to extend the terms of the subject contracts from June 30, 2004 to June 30, 2005, and hence will negotiate with existing contractors only.  
 Vendors interested in responding to a future solicitation for these services should so indicate either in writing to the address listed or via e-mail to the e-mail address listed by the due date.

DRYDOCKING, INSPECTION FERRY VESSELS - Competitive Sealed Bids - PIN# 84104SIPT660 - DUE 6-11-2004 AT 11:00 AM

Drydocking, Inspection and related repairs to the Department of Transportation Ferry Vessels of the "Kennedy" class vessels, "John F. Kennedy", and "The Gov. Herbert H. Lehman", in the City of New York (FE-5694, FC-5245AG). A deposit of \$50.00 in the form of a certified check or money order made payable to New York City Department of Transportation is required to obtain contract/proposal documents. NO CASH ACCEPTED. Refund will be made only for contract/proposal that are returned in its original condition. Any persons delivering bid documents must enter the building through 220 Church Street, New York, NY. Due to increased building security, bidders should allow extra time when delivering bids and should ensure that proper identification is available upon request. Please ensure that your company's address, telephone and fax numbers are submitted by your company (or messenger service) when picking-up contract documents. For additional information, please contact Yakov Tsukerman at (718) 876-1927

JAMAICA AIRTRAIN BUSINESS CORRIDOR STUDY – Request for Proposal – DUE 06-18-04 AT 4:00 P.M. – New York City Economic Development Corporation (NYCEDC) is seeking a consultant to develop recommendations for the industry segments best targeted for business development at Jamaica's AirTrain business corridor (the "Area"). The consultant will analyze the Area's strengths and weaknesses as a business center and the benefits it derives from proximity to John F. Kennedy International Airport and other transportation assets. The consultant will focus on the air transportation industry and selected other industries and analyze whether there are clear synergies with these industries to Area assets.

The consultant will assess critical requirements for potential growth in the Area, both in general and for each industry studied. The analysis will include industry trends, real estate and infrastructure requirements, and the factors involved in attracting or growing these selected industries in the Area. The consultant will supplement the industry analysis with an examination of comparable areas within the City's regional market, and other cities and metropolitan markets both national and international. Using these data, the consultant will develop recommendations that delineate the sectors and sub-sectors most compatible with the Area and for which a targeted business attraction campaign by the public sector would be most effective.

Respondents may submit questions and/or request clarifications from NYCEDC no later than 4:00 p.m. on May 28, 2004. Questions should be directed to Rachel Hitch at [jamstudy@nycedc.com](mailto:jamstudy@nycedc.com). Answers to all questions will be posted by June 4, 2004 to <http://www.nycedc.com/jamstudyrfp>.

For more information and to request or download a copy of the RFP, call (212) 312-3969 or visit <http://www.nycedc.com/jamstudyrfp>.

## Description

PRIVATE EQUITY ALTERNATIVE INVESTMENT CONSULTANT(S) FOR THE DEFINED BENEFIT ASSETS OF THE NEW YORK CITY RETIREMENT SYSTEMS AND PENSION FUNDS – CP/2 – PIN# 015 0488500 ZP – DUE 06-08-04 AT 4:00 P.M. – Four of the Systems currently have alternative investments in private equity and venture capital (together, “private equity”) totaling, in the aggregate, approximately 80 basis points of the total assets of the Systems (\$82 billion as of December 31, 2004) and closed or authorized commitments totaling approximately \$2.2 billion (with an additional \$0.8 billion of closed or authorized commitments to funds pursuing real estate investment strategies). The Systems currently have 3-5% policy allocations to private equity. The Systems will look to one or more consultants chosen as a result of this RFP to advise them as they seek to achieve their full allocation over the coming three to five years.

Firms must meet minimum qualifications stated in the RFP which include having as of March 31, 2004: 1) Experience with private equity consulting services to existing institutional investors with aggregate private equity portfolios of at least \$1 billion, 2) Experience with private equity consulting services to at least one public pension fund, 3) Key professionals to be assigned to this engagement with at least three years experience in providing services to institutional investors in private equity, and 4) No direct or indirect interest that would or may conflict with the independent performance of services specified under this RFP as determined by the Comptroller’s Office.

Private equity consulting personnel will be required to: 1) Provide advice on program design, implementation, portfolio construction and pacing, 2) Assist the Comptroller’s staff in identifying and conducting due diligence on prospective investment opportunities, and 3) Monitor the performance of and developments at funds held within the System’s portfolios.

HOME ATTENDANT AND HOUSEKEEPER SERVICES - Competitive Sealed Proposals / Judgment required - PIN# 06905H038000 - DUE 8-23-2004 AT 2:00 PM

vendors to directly provide (i.e., not through sub-contracts) both home attendant and housekeeper services to Medicaid-Eligible Individuals who are medically disabled, handicapped or frail elderly and reside in the Bronx. Clients served by this program will either be self-directing or will have relatives or guardians who direct on their behalf.

Home attendants work with clients who need assistance with activities of daily living, such as feeding, toileting, bathing, ambulation, etc. Both home attendants and housekeepers, perform light housekeeping tasks, such as general cleaning, laundry, meal preparation, food shopping, etc. HRA determines client eligibility and services levels based on the individual's medical and social condition and financial status. The statutory bases for the provision of home attendant and housekeeper services are 42 USC 1396 et. Seq (TITLE XIX of the Social Security Act); 42 CFR 440.170; Social Services Law 365-a; and 18 New York Codes Rules and Regulations (NYCRR)505.14.

Greater Consideration will be given to proposers that demonstrate they have successfully provided home care services to a monthly average of 100 clients for a least one year in the City of New York, preferably in the Bronx.

A Pre-Proposal Conference will be held on Wednesday, June 2, 2004 at 2 Washington Street 22nd Floor Conference Room, New York NY 10004 from 10:00 to 12:00 noon. Attendance is optional but strongly recommend. Vendor Source ID is 17652.

SERVICE OF LEGAL PROCESS AND LEGAL PAPERS - Competitive Sealed Bids - PIN# 816IFB050001 - DUE 5-26-2004 AT 10:00 AM

For all labor, services and materials required to file petitions with the Supreme Court in the several counties of New York City to provide Service of Legal Process and Legal Papers for the period from November 1, 2004 to October 31, 2008, renewable at the sole discretion of the Department for one two year period. The Department is charged with the implementation of "Kendra's Law" (Chapter 408 of the Laws of 1999) which establishes a procedure whereby petitions may be brought in Supreme Court requesting court ordered outpatient treatment ("Assisted Outpatient Treatment" or "AOT") for patients who have been noncompliant in the past with treatment for mental illness. Only organizations regularly engaged in the business of providing Service of Legal Process and Legal Papers for three years as of the bid due date will be considered for award.

A Pre-Bid Conference will be held on May 13, 2004 at 93 Worth Street, Room 210 E, New York City at 10:00 AM.

Bidders and interested members of the public who wish to attend the bid opening are directed to check-in at Room 812 on the 8th floor no later than 10:20 AM, from which they will be escorted to the Bid Opening Room by staff.

Bid opening: Sealed bids will be publicly opened and read aloud at the time and place indicated above. The Department reserves the right to limit each bidding organization to no more than one representative at the bid opening.

Bidders are advised that failure to comply with all submission requirements stated in the invitation for bids may render their bid non-responsive and not subject to further consideration for award.

HUDSON YARDS NO. 7 SUBWAY EXTENSION, MID-BLOCK BOULEVARD AND PUBLIC OPEN SPACE RELOCATION SERVICES – Request for Proposals – DUE 05-25-04 AT 4:00 P.M. – For business and residential relocation consulting services in the Hudson Yards area of West Midtown Manhattan, in conjunction with the City of New York’s effort to redevelop this area in accordance with the proposed Hudson Yards Redevelopment Plan. The proposed plan consists of the rezoning of the area, the extension of the No. 7 Subway, the expansion of the Jacob K. Javits Convention Center, the development of a multi-use Sports, Exhibition and Entertainment Facility on the MTA Caemmerer Rail Yards, the creation of new public open space, and a Mid-block Boulevard between Tenth and Eleventh avenues. The plan requires the acquisition of several parcels to allow for the construction and operation of the No. 7 Subway Extension, and the creation of new public open space, streets, parks and related infrastructure. A more detailed description of the redevelopment plan can be found at <http://www.nyc.gov/html/dcp/html/hyards/hymain.html>.

NYCEDC will coordinate relocation assistance for in-place commercial and residential tenants and is seeking a consultant to support these efforts. The consultant will develop a relocation assistance strategy and, working closely with NYCEDC and the City, manage all day-to-day aspects of this relocation assistance effort on NYCEDC’s behalf for both commercial and residential tenants.

The selected consultant (Consultant) will be expected to perform all work and services including, but not limited to, the following: 1) perform initial research of all prospective properties, 2) conduct interviews with each occupant on the identified prospective acquisition sites, 3) research potential replacement sites, 4) provide direct relocation assistance, 5) provide periodic status reports, and 6) create final recommendations and a report.

NYCEDC plans to select a Consultant on the basis of factors including, but not limited to, the quality of the proposals, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the proposed fee. NYCEDC reserves certain rights including, but not limited to, the rights to waive irregularities and reject any or all proposals in its sole and absolute discretion. NYCEDC plans to select a consultant in June 2004.

All questions related to this RFP should be directed via e-mail to [HYreloRFP@nycedc.com](mailto:HYreloRFP@nycedc.com) by Monday, May 17, 2004. No questions will be accepted after that date. All questions and answers will be available to all potential respondents by close of business on Thursday, May 20, 2004 at [www.nycedc.com/HYreloRFP](http://www.nycedc.com/HYreloRFP). No contact with NYCEDC, the MTA or their consultants regarding issues raised by this RFP will be permitted.

BUILDING MAINTENANCE, VARIOUS BOROUGHES, 2 CONTRACTS – CSB – DUE 05-17-04 AT 10:00 A.M. – Job Order Contract for ELECTRICAL WORK

Specification # 0029J-04 Regions 1, 2 and 6 due 05/17/04 at 10:00 AM 0030J-04 Regions 3, 4 and 5 due 05/17/04 at 2:00 PM.

The Maximum Contract Value for each Job Order Contract for Electrical Work is \$2,000,000.

BUILDING MAINTENANCE, VARIOUS BOROUGHES, 1 CONTRACT – CSB – DUE 05-17-04 AT 10:00 A.M. – Job Order Contract for PLUMBING WORK Specification # 0031J-04 Citywide due 05/17/04 at 10:00 AM

The Maximum Contract Value for the Job Order Contract for Plumbing Work is \$3,000,000.

Job Order Contracts are requirements type contracts based on a construction task catalog where contractors perform an ongoing series of small to medium sized routine projects. The construction task catalog contains pre-set unit prices. Bidders will bid an adjustment factor to be applied to the unit prices.

Bid Documents will be available for purchase following the first Pre-Bid Conference. Mandatory Pre-Bid Conferences will be held in the 5th floor conference room at the Division of School Facilities, 44-36 Vernon Boulevard, Long Island City, NY 11101 at 10:00am on May 3, 2004 and at 10:00am on May 10, 2004 . Contracts will be awarded only to bidders who have attended both Mandatory Pre-Bid Conferences.

Questions may be faxed to (718) 610-0323 prior to the Pre-Bid Conference.

RELOCATION AND EMPLOYMENT - Negotiated Acquisition / Other - PIN# 071-04S-003-681 - DUE 6-7-2004 AT 5:00 PM

The Department of Homeless Services (DHS) is entering into negotiations with the Church Avenue Merchants Block Association Inc. to provide a Relocation Assistance Program for Homeless Families Citywide. This contract will be done via Negotiated Acquisition pursuant to Section 3-04 (b)(2)(iii) of the Procurement Policy Board Rules to extend the underlying contract for one (1) year and 16 days to allow the Department of Homeless Services sufficient time to complete the Competitive Sealed Proposal process as well as to evaluate the program.

It is anticipated that the extension contract with CAMBA will be from December 15, 2003 to December 31, 2004.

Qualified vendors that are interested in providing a Relocation Assistance Program should contact: Calvin Pitter, Deputy Agency Chief Contracting Officer, Department of Homeless Services, 33 Beaver St., 13 Floor NY, NY 10004. A copy of the Request for Proposals is now available for pick-up only at DHS. The due date for the RFP is June 7, 2004.

Compelling need to extend for one-year and 16 days.

EVALUATION OF NEW AND EMERGING WASTE MANAGEMENT AND RECYCLING TECHNOLOGIES, CONSULTANT SERVICES – Request for Information – DUE 05-24-04 AT 4:00 P.M. – The New York City Department of Sanitation and the New York City Economic Development Corporation are issuing a Request for Information (RFI), as part of an Evaluation of New and Emerging Solid Waste Management and Recycling Technologies and Approaches (Evaluation).

The goal of the RFI is to enable the City of New York (the City) to better understand what technologies are available and which may be appropriate for further consideration. The results of the Evaluation will assist the City in its ongoing solid waste management planning efforts. The results of the Evaluation will also be presented in an Evaluation Report

## Description

SUBSTITUTE TEACHER PLACEMENT SYSTEM – RFP – PIN# 1C208040 – DUE 05-19-04 AT 11:30 A.M. – Plan, provide, implement, and maintain an automated substitute teacher placement system (Stps), which replaces absentees with qualified substitutes. Stps will contain the names, addresses, qualifications, and other information about teachers, staff, and substitutes. Employees will be able to report their absences to the Stps, by telephone or web-site entry 24 hours a day 7 days per week, and the Stps will automatically contact via telephone, and/or e-mail, a substitute to serve in their absence. Pre-proposal will be held April 28, 2004, at 2:30 PM at 65 Court Street, 6th Floor Conference Room, Brooklyn, NY 11201. To download, please go to <http://www.nycenet.edu/opm/vendor/rfp.html>. If you cannot download, send an e-mail to [Pfrey@nycboe.net](mailto:Pfrey@nycboe.net) or fax to RFP Distribution Team/P.Frey at (718) 935-5117 with the RFP number, RFP title, your company name, address, phone, fax and e-mail address.

BROKERAGE SERVICES FOR A COMBINED INSURANCE PROGRAM - Competitive Sealed Proposals / Judgment required - PIN# 84102MBPT468 - DUE 5-6-2004 AT 2:00 PM

To obtain four types of insurance: 1) automobile liability insurance, 2) workers' compensation 3) employer's liability coverage and 4) commercial general liability for the seven subsidized bus operators to provide fixed route transportation service. These operators maintain over 1,251 city-owned buses and operate 82 local and express bus routes at an annual cost of over \$300 million, and together constitute the country's ninth largest surface transportation system.

A Pre-Proposal conference will be held on April 14, 2004 at 10:00 a.m. at 59 Maiden Lane, Room 3529, New York, NY 10038.

A deposit of \$50.00 in the form of a certified check or money order made payable to New York City Department of Transportation is required to obtain contract/proposal documents. NO CASH ACCEPTED. Refund will be made only for contracts/proposals that are returned in their original condition. Any persons delivering bid documents must enter the building through 220 Church Street, New York, NY. Due to increased building security, bidders should allow extra time when delivering bids and should ensure that proper identification is available upon request. Please ensure that your company's address, telephone and fax numbers are submitted by your company (or messenger service) when picking-up contract documents. For additional information, please contact Phil Torre at(212)487-8738.

C4071 - SEGMENT 5 - PIER 53, FINGER PIER RECONSTRUCTION – Competitive Sealed Proposals (S/A) – DUE 04-30-04 AT 11:00 A.M. – The Hudson River Park Trust (“HRPT”) is seeking proposals from qualified marine construction firms, interested in performing marine construction work within Segment 5 of the Hudson River Park, located at Bloomfield Street along the Hudson River on Manhattan’s west side. Typical construction operations would include but not be limited to; protection of existing structures; selected pier deck, substructure, and pile demolition and removal; concrete, and timber pile driving; cast-in-place and precast concrete construction; restoration of existing timber pier areas; electrical and mechanical work; and the furnishing and installation of new gangways, salvaged davits, bollards; installation of fending systems; etc. Price for bid documents \$100.00 per set. Document availability date Friday, March 26th, 2004. Documents including required submission material’s for this solicitation may be obtained by the following means: Mail: Mail your requests and a check to the Hudson River Park Trust - Project Management Office, Pier 40 - 2nd Floor, New York, NY 10014. In Person: Directly from the Hudson River Park Trust located at Pier 40. Hours 9:00 a.m. - 5:00 p.m., Monday-Friday, except holidays. Overnight delivery via Fed Ex is available by providing your account information. Criteria for determining the lowest qualified bidder will include but is not limited to: 1. An analysis of your marine construction experience (minimum 5 years) on similar projects, including the name, location, and construction cost of the projects (include projects within the NYC metropolitan area wherever possible). 2. An analysis of the listing of equipment available to be utilized on the project that is owned and/or controlled by the company. 3. An analysis of any OSHA, ACOE, or NYS DEC violations issued in the last five years. 4. An analysis of the complete team (prime contractor or joint venture partners and/or sub contractor’s) that you would commit to the project, including an analysis of the percentage of sub contracting. 5. An analysis of the qualifications of personnel available for this project. 6. An analysis of the detailed financial statements of prime contractor or joint venture partners and sub consultants including a five-year history of debarment, litigation, and bankruptcy filings by prime contractor or joint venture partners of principals. 7. An analysis of a completed “Vendex” questionnaire or Affidavit of No Change Form completed within the last two years. (Vendex forms may be requested from the Trust in writing). Submissions will be evaluated to assess the proposers responsibility, project specific and general marine construction experience, equipment ownership/control, completed Vendex questionnaire, and financial stability. HRPT is an equal opportunity contracting agency. Any resulting contracts will include provisions mandating compliance with Executive Law Article 15A and teh regulations promulgated there under.

EXISTING SCATTER SITE HOUSING AND SUPPORTIVE SERVICES FOR PEOPLE WITH AIDS - Competitive Sealed Proposals / Judgment required - PIN# 06905H046500 - DUE 5-13-2004 AT 2:00 PM

To operate and maintain a portion of HRA's existing inventory of 696 Scatter-Site 1 housing units located in the Bronx, Brooklyn and Manhattan, and to provide counseling and supportive services to new clients as well as those clients currently residing in those units. The population to be served may include a number of individuals with active substance abuse and/or mental health issues.

HRA is committed to working with the community based organizations to provide a housing continuum that will reduce the numbers of clients residing in commercial Single Room Occupancy (SRO) facilities as well as provide clients opportunities to address activities for daily living while emphasizing client responsibility.

A Pre-Proposal Conference will be held on Tuesday, April 20, 2004, 2 Washington Street, 22nd Floor, Conference Room, New York, NY 10004 from 10:00 to 12:00 noon. Attendance is optional, but strongly recommended. Vendor Source ID is 17119.

RELOCATION SERVICES - Competitive Sealed Proposals / Judgment required - PIN# 071-04S-003-669 - DUE 6-7-2004 AT 5:00 PM

To provide a broad range of comprehensive services to help families currently residing in DHS shelters to relocate to suitable housing. The client profile is typically families on Public Assistance, or families whose incomes do not exceed 200% of the federal poverty level who are eligible for Temporary Assistance to Needy Families (TANF). This program will be targeted to approximately 3,000 families currently residing in DHS facilities including, but not limited to Scatter Site or/and Hotels. Of this number, DHS expects that approximately 700 families annually would be permanently housed.

The goal of the Relocation Assistance Program is to provide DHS clients with support services that may help them move expeditiously to permanent housing. As such, the contractor would assist clients in finding suitable apartments, help them sign leases, shop for furniture and perform apartment final inspection before scheduling the move.

It is anticipated that the term of the contract awarded from this RFP will be for two years from January 1, 2005 to December 31, 2007, with an option to renew for an additional one-year subject to the availability of funds.

The payment structure of the contract awarded for this RFP will be paid both in the form of a line-item budget reimbursement and in the form of direct payment when a client family attains the relocation milestone.

Vendors who believe they can provide these services described are invited to submit a proposal which is available for "pick-up only" beginning Tuesday, March 30, 2004 at the Department of Homeless Services at 33 Beaver Street, 13th Floor, Bid Desk, New York, NY 10004.

A Pre-Proposal Conference is scheduled for Wednesday, April 21, 2004 at 1:00 pm at 33 Beaver Street, 17th Floor Conference Room. Attendance is optional but proposers are strongly encouraged to attend the pre-proposal conference scheduled for the Relocation Assistance Program. The pre-proposal conference will address questions regarding the Request for Proposals.

If you have any questions, please contact Leticia M. Ripalda, Senior Analyst and Contract Manager at (212) 232-0512 or E-mail at lripalda@dhs.nyc.gov or Calvin Pitter, Deputy Agency Chief Contracting Officer, at (212) 361-8413 or E-mail at cpitter@dhs.nyc.gov.

TRANSPORT & DISPOSE OF CONTAINERIZED WASTE FROM ONE OR MORE MARINE TRANSFER STATIONS - Competitive Sealed Proposals / Judgment required - PIN# 82704RR00031 - DUE 3-31-2004 AT 11:00 AM

CORRECTION: Addendum #2 added

The RFP, one of four issued to develop the City’s Solid Waste Management Plan for 2005 - 2024, seeks 20-year proposals to provide all of the facilities, equipment, and services necessary to pick up barges filled with containerized waste and drop off barges with empty containers at one or more of the MTSs and tow, transport and dispose of at out-of-City facilities, some or all of the DSNY-managed waste generated in the boroughs once served by MTSs (10,000 to 12,000 tons per day). The RFP requires all waste to be exported from the City by barge or rail and states a preference for proposals that minimize truck traffic and use NY State disposal capacity.

An ADDENDUM TWO to the RFP, issued on March 16, 2004, amends the definition of Coastal Barge, deletes the requirement to complete Qualification Form Q-7 as part of the Proposal and requires the completion of Price Proposal Form P-8.

An ADDENDUM ONE, issued on January 30, 2004, amends the deadline for submitting inquiries to March 5, 2004 and the Proposal Due Date/Time to March 31, 2004 at 11:00A.M. In addition, ADDENDUM ONE adds the definition of Terminus Intermodal Facility, amends Section 9.6.5., replaces the form of Letter of Intent (re Letter of Credit) and the Form of Irrevocable Letter of Credit and Provides Technical Proposals Forms on Compact Disk.

The authorized contact person for the RFP is Sarah Dolinar, Bureau of Long Term Export, DSNY, 44 Beaver St., 12th Fl., NY, NY 10004, (212)837-8333, fax:(212)269-0788. Attempts to obtain information about this RFP from any other government party (except to acquire the RFP) may result in the rejection of the vendor proposal.

RECEIVE, TRANSFER, TRANSPORT & DISPOSE OF DSNY-MANAGED WASTE - Competitive Sealed Proposals / Judgment required - DUE 3-31-2004 AT 11:00 AM

BROOKLYN (FORMERLY DELIVERED TO GREENPOINT MTS) - PIN# 82704RR00032  
QUEENS (FORMERLY DELIVERED TO GREENPOINT MTS) - PIN# 82704RR00034  
BRONX - PIN# 82704RR00035

CORRECTION: Addendum #2 added

The RFPs, three of four RFPs issued to develop the City’s Solid Waste Management Plan for 2005 – 2024, address DSNY waste generated in 3 different project areas, but all require waste containerization, barge or rail export out of the City, offsets to be obtained if private facility capacity is to be increased, and that commercial waste received at the private facility be containerized and exported out of the City by barge or rail. Each RFP states a preference for minimized truck traffic and in-State disposal.

An ADDENDUM TWO to the RFPs, issued on March 16, 2004, amends the definition of Coastal Barge, deletes the requirements to complete Qualification Form Q-7 as part of a Proposal and requires the completion of Price Proposal Form P-5.

An ADDENDUM ONE, issued on January 30, 2004 to amend the text of the RFPs, extends the deadline in the RFPs for submitting inquiries to March 5, 2004, as well as the Proposal Due Date/Time to March 31, 2004 at 11:00A.M. In addition, ADDENDUM ONE adds the definition of Terminus Intermodal Facility, amends Section 9.6.5., replaces the Form of Letter of Intent (re Letter of Credit) and the Form of Irrevocable Letter of Credits and amends the Offsets requirements. Note that ADDENDUM ONE also includes an amendment to eliminate Bronx CD 9 from the definition of Offset Area applies to PIN 82704RR00035 ONLY.

The authorized contact person for these RFPs is Sarah Dolinar, Bureau of Long Term Export, DSNY, 44 Beaver St., 12th Fl., NY, NY 10004, (212)837-8333, fax:(212)269-0788. Any attempt to obtain information about the RFPs from any other government party (except to acquire a copy of the RFPs) may result in the rejection of the vendor proposal(s).

The Port Authority of NY & NJ.

PERFORMANCE OF M/W/D/SBE CERTIFICATION REVIEW SERVICES – CSB – DUE: 04-07-04 AT 2:30 P.M. - The Port Authority of New York and New Jersey is seeking to identify firms interested in responding to a Request for Proposal (RFP) for conducting Minority-owned, Women-owned, Disadvantaged, and Small Business Certification Review Services and Compliance Monitoring, including related data input and management. Services shall be conducted at the Newark Legal and Communication Center, Newark, New Jersey. Chosen firm will provide recertification recommendations to Port Authority supervisory staff. Firms meeting the following requirements are encouraged to respond:

1. Demonstrated ability and/or experience providing certification review services, compliance monitoring, and analysis and review of documents against guidelines such as 49 CFR Part 26 of the United States Department of Transportation, and make a recommendation as to a determination.
2. Demonstrated ability and/or experience in analysis of various business, financial and tax documents, such as 1120s, 1065s, Schedule Cs, bank signature cards/statements, financial statements, Dun and Brad Street Reports, leases, and contracts to determine whether annual gross receipts, ownership, signature authority, and the control of the day-to-day business operation meets established limitations and criteria.

## Description

3. Demonstrated ability and/or experience in providing administrative services including but not limited to accurately entering data, updating, modifying, and managing database, typing letters, memoranda, answering telephone, and scheduling meetings.
4. Demonstrated proficiency in providing report services using Microsoft Office software.
5. Demonstrated ability and/or experience in providing good customer services.
6. Demonstrated ability and/or experience in providing staff services, which requires working effectively as part of a team as well as independently.
7. Demonstrated ability and/or experience in providing services on a timely basis.

Documents can be requested via email at [ispencer@panynj.gov](mailto:ispencer@panynj.gov)

AIRFIELD ELECTRICAL SWITCH HOUSE CONSTRUCTION CONTRACTS – CSB – PIN# EWR-154.330 – DUE: 05-07-04 AT 2:30 P.M. - at Newark Liberty International Airport (EWR). The qualification information required to be submitted for these contracts is contained in a separate document that is available by contacting John Azzaro, telephone (973) 792-4698; fax (973) 792-4604.

Work generally involves furnishing and installing new electrical distribution equipment, which will supply the airfield lighting control system for the runways and taxiways - including switchgear, panelboards, voltage regulators, transformers, emergency generators and FAA lighting controls with the associated wiring, airside electrical and communications ductbanks, manholes and handholes and construction of buildings. Each Contract is presently estimated to be in the range of \$5 Million to \$15 Million. Qualification information is presently to be submitted by April 16, 2004, and it is anticipated that bid documents for the first Contract - EWR-154-330 Construction of Switch House No. 3, will be available to prequalified bidders on or about May 7, 2004.

Documents can be requested via telephone at (973) 792-4698 or fax # (973) 792-4604.

The Port Authority of NY & NJ.

INTEGRATED PUBLIC ADDRESS AND VISUAL PAGING SYSTEM – CSB – PIN# LGA-701 – DUE: 04-12-04 AT 2:30 P.M. – CONTRACT LGA-701 - LAGUARDIA AIRPORT CENTRAL TERMINAL BUILDING - INTEGRATED PUBLIC ADDRESS AND VISUAL PAGING SYSTEM: Contact Ankuresh Ghosh, (973) 792-4639, email: [aghosh@panynj.gov](mailto:aghosh@panynj.gov). Work generally involves installation and maintenance of a computerized integrated public address and visual paging system at the LaGuardia Airport Central Terminal Building. The system will coordinate the broadcast of audio pages over the public address speakers and the display of corresponding visual messages on visual paging signs to advise airport customers of operational concerns and public announcements. The system will include public address speakers, variable message signs and sign structures, interconnecting power and communication conduits and cables, ambient noise analysis and control, an integrated control system with all associated hardware and software and a five (5) year maintenance agreement. The project is presently estimated to be in the range of \$2 million to \$6 million. Qualification information is presently scheduled to be submitted by April 12, 2004, and it is anticipated that bid documents will be available to prequalified bidders on or about June 1, 2004.

Documents can be requested via telephone at (973) 792-4639.

HWMWTCA6C, RESIDENT ENGINEERING INSPECTION SERVICES FOR THE RECONSTRUCTION OF LIBERTY STREET - Competitive Sealed Proposals / Judgment required - PIN# 8502004HW0034P - DUE 5-4-2004 AT 4:30 PM

The project involves the replacement of water mains, rehabilitation of sewer mains, reconstruction of roadway, curbs, and sidewalks including street lighting and traffic signal work within project limits. The term of this REI contract is nineteen months. The estimated cost of construction is \$3,195,830. Anticipated start date for the construction contract is summer 2004 with a completion in summer 2005.

Construction inspection will include, but not be limited to, providing on-site construction inspection and oversight to ensure the quality of construction and conformity with the final plans and specifications and preparation of as-built plans. DDC will select the most qualified firm according to the criteria set forth in the RFP.

Special Requirements: The selection and retention of a consultant will be contingent upon the availability of the proposed Key Staff, unless substitutes are approved by the Commissioner during negotiations. Disadvantaged Business Enterprises (DBE) are encouraged to participate in this solicitation. Other proposers are encouraged to submit DBE sub-consultants where appropriate.

Sub-consultants, subcontracting, and/or joint ventures are permitted.

HMMWTCA6B, RESIDENT ENGINEERING INSPECTION SERVICES FOR THE RECONSTRUCTION OF CHAMBERS STREET - Competitive Sealed Proposals / Judgment required - PIN# 8502004HW0032P - DUE 5-4-2004 AT 4:30 PM

under negotiated "Cost Plus Fixed Fee" basis.

The project involves the replacement of water mains, rehabilitation of sewer mains, reconstruction of roadway, curbs, and sidewalks including street lighting and traffic signal work within project limits. The term of this REI contract is thirty-four months. The estimated cost of construction is \$7,190,067. Anticipated start date for the construction contract is winter 2004/2005 with a completion in spring 2008.

Construction inspection will include, but not be limited to, providing on-site construction inspection and oversight to ensure the quality of construction and conformity with the final plans and specifications and preparation of as-built plans. DDC will select the most qualified firm according to the criteria set forth in the RFP.

Special Requirements: The selection and retention of a consultant will be contingent upon the availability of the proposed Key Staff, unless substitutes are approved by the Commissioner during negotiations. Disadvantaged Business Enterprises (DBE) are encouraged to participate in this solicitation. Other proposers are encouraged to submit DBE sub-consultants where appropriate.

Sub-consultants, subcontracting, and/or joint ventures are permitted.

## Description

PREQUALIFICATION OF SUBCONTRACTORS - Other - PIN# 444444 - DUE 4-12-2004 AT 12:00 PM

For the following sub projects related to the revitalization of Ocean Bay Apartments in Far Rockaway, Queens:

- A) Oceanside Exterior and Lobby Improvements \$16M
- B) Bayside Exterior and Lobby Improvements \$15M
- C) Building and Site Security Surveillance Sys \$4M
- D) Community Center \$12M
- E) Day Care Center \$3M
- F) Social Center \$0.5M
- G) Site Improvements \$12M
- H) Transformers and Electrical Distribution Upgrades \$5M
- I) On-Call Contracts \$ TBD

A complete description of each contract to be awarded is included in the pre-qualification package and on NYCHA's website ([www.nyc.gov/nycha](http://www.nyc.gov/nycha)) under Doing Business with NYCHA. All work is to be performed and completed over the next 14 months.

In order to be considered, a firm must meet each (and all) of the following criteria:

### Experience:

Previously completed five projects of similar size and scope within the last 5 years. Minimum size requirements for "similar" size are indicated on the list of bid packages / contracts to be awarded. For the Community Center (D) and Day Care Center (E) sub projects, include a minimum of one project involving Wicks Law compliance. For each project, provide contact information for an owner's representative.

### References:

Of three random reference calls made to contacts provided for five previous projects, at least two references for both previously completed and current projects must rate the firm either 1 or 2 on a scale of 5 (1 being excellent, 2 good, 3 satisfactory, 4 marginal, 5 unsatisfactory). A third reference must rate the firm no less than 3 (satisfactory).

### Capacity:

Firm must provide letter on surety letterhead confirming adequate single and aggregate bonding capacity (both single project and available capacity) available to meet the minimum bond requirement for the contract. (Bond requirements for each bid package are indicated on the list of contracts included with the pre-qualification forms and on the NYCHA website).

Award of contract for which the firm is seeking pre-qualification plus the firm's current backlog scheduled to start within the next 12 months must not exceed 2.0 times the firm's annual revenue.

### Financial Strength and Stability:

The firm's current ratio must be at least 1.0 to 1.

The firm's debt to equity ratio shall be a maximum of 4.0 to 1.

The firm's credit line must be a minimum of \$250,000, with 50% unused/available.

The firm's Dun and Bradstreet report shall carry a satisfactory overall rating of 3 with no adverse findings. If no D & B report is available, the firm shall provide contact information for ten current suppliers of material or equipment, three of whom will randomly be contacted to verify that the applicant's business is currently paying in 90 days or less.

### Compliance with Local Laws / Integrity:

The firm must submit an acceptable NYCHA Business Entity Questionnaire.

### Participation in a NY State approved apprenticeship program:

Firm must demonstrate participation in a New York State approved apprenticeship program that has been in successful operation for a period of not less than three years. Successful operation shall be defined as placement of 75% of all graduates in an appropriate trade, the majority of who remain continuously employed in the trade for a period of at least two years.

### Safety:

Firm must possess an EMR (Experience Modification Rate) of 1.0 or less for each of the last three years.

Firms that meet pre-qualifying criteria will be invited to bid on the above-described packages. Successful bidders will contract with URS

**Description**

Corporation to perform the related work.

Interested parties should contact URS, Ann Walker by telephone (212) 736-4444 ext 2308 or e-mail "ann\_walker@urscorp.com" for pre-qualification documents. Responses must be submitted to URS by April 12, 2004. Only pre-qualified firms will be solicited.

DEL- 135 ROV: REMOTE OPERATED VEHICLE TUNNEL INVESTIGATION OF THE RONDOUT - WEST BRANCH TUNNEL OF THE DELAWARE AQUEDUCT - Negotiated Acquisition / Specifications not definite - PIN# 82604WM00132 - DUE 3-24-2004 AT 11:30 AM

To enter into a Negotiated Acquisition with Malcolm Pirnie, Inc., for Remote Operated Vehicle Tunnel Investigation of the Rondout - West Branch Tunnel of the Delaware Aqueduct. The basis for using the Negotiated Acquisition process is pursuant to Section 3-04 (b)(2)(i)(D) of the PPB Rules, there is a time sensitive situation where a supplier must be retained quickly, because a compelling need for construction-related services exists & cannot be timely met via competitive sealed bidding or competitive sealed proposals. The Rondout West Branch tunnel is known to be leaking, and therefore a time-sensitive situation exists where the City must act quickly to assess the condition of the Tunnel and use that information to develop tunnel repair strategies. In view of Malcolm Pirnie's satisfactory performance of its current work on this project and its familiarity with all aspects project, it is in the City's best interest to procure this contract as a negotiated acquisition. The projected contract start date is September 1, 2004 and the projected end date is September 1, 2008.

## Description

ARCHITECTURAL AND ENGINEERING SERVICES – CSB – DUE 04-02-04 AT 2:30 P.M. – for Goethals Bridge Modernization Program as requested on an “as-needed” basis.

To identify consultants to respond to a Request for Qualifications (RFQ)/Request for Proposals (RFP) for performance of expert professional architectural and engineering services for the preliminary engineering design (Phases I and II), final design, and post award design services for the Goethals Bridge Modernization Program. The initial authorization for services will be for performance through the Preliminary Engineering Design Phase I only. Additional authorization for subsequent stages of work will be required, and is not guaranteed.

Proposals will only be considered from consultants that meet the following criteria:

1. Demonstrated completion, by the prime consultant, of three (3) bridge design projects of similar complexity and scale, at least one (1) of which must be cable stayed type, each with a construction value over \$150 million, within the past ten (10) years.
2. Demonstrated experience developing the design, method and procedure for the controlled demolition of long span bridges that must include the controlled demolition of at least one (1) long span truss bridge.
3. Demonstration by the consultant team’s security specialist entity that it has a minimum of (5) years prior experience and multi-discipline technical expertise in providing security assessments and recommendations including substantially completing the security assessments and recommendations for a minimum of two (2) new or existing long span bridges of similar complexity and type.
4. Demonstration by the consultant team’s entity designing the architectural lighting that it has designed a minimum of two (2) bridge lighting projects of similar complexity and type, and specifically, at least one (1) of the cable stayed type, each with an overall construction value over \$150 million, within the past ten (10) years.
5. Demonstrated knowledge of environmental issues (including construction on wetlands or environmentally sensitive areas) and traffic circulation, which must include the demonstrated ability of the consultant to adhere to design guidelines and coordinate within a multi-team member program process.
6. Proven experience working with federal, state, and local governmental and transportation agencies in the New York/New Jersey metropolitan area within the past ten (10) years.
7. An established strong presence in the New York/New Jersey metropolitan area.
8. Principals of the selected consultant firm must be licensed to practice architecture and engineering services in the States of New York and New Jersey.

Consultants possessing these qualifications are encouraged to request a copy of, and respond to the RFQ/RFP. Joint Ventures/teams are acceptable. The specific proposal information is set forth in the document entitled “Request For Qualifications/Request For Proposals - Performance of Expert Professional Architectural and Engineering for the Goethals Bridge Modernization Program on an “As-Needed” Basis, a copy of which will be furnished to interested consultants upon request to Ms. Sandra Bird-Furgeson, Senior Consultant Programs Specialist, sbird@panynj.gov. Provide your email address, mailing address, telephone number and contact person in your e-mail request. Proposals shall be due on or about April 2, 2004.

## Description

GENERAL PARK MAINTENANCE – Competitive Sealed Bids – Hudson River Park: M4161 – DUE 04-05-04 AT 11:00 A.M. – The Hudson River Park Trust (“HRPT”) is interested in receiving proposals from not-for-profit education, training and employment organizations that would be interested in furnishing general park maintenance, grounds keeping and office cleaning staffing services for the Hudson River Park and portions of the Route 9A medians, located along the Hudson River on Manhattan’s west side from 59th Street to Battery Place. A joint venture of the State and City of New York consisting of certain State and City owned properties along the Hudson River and Route 9A on the west side of Manhattan, the park includes a five-mile waterfront esplanade along the bulkhead with adjacent green areas, open space, recreational areas, piers and commercial facilities. Typical services might include but not be limited to: general park cleaning, repairs and maintenance; snow and ice removal; and office cleaning. Price for bid documents \$50.00 per set. Document availability date Monday March 15th, 2004. Documents for this solicitation may be obtained by the following means: Mail: Mail your requests and a check to the Hudson River Park Trust, Pier 40, 2nd Floor @ West Houston & West Streets, New York, NY 10014. In Person: Directly from the Hudson River Park Operations & Maintenance Offices located at Pier 40. Hours 9:30 a.m. - 5:30 p.m., Monday - Friday, except holidays. Fed Ex overnight delivery is available by providing your overnight courier account information. Last day to pick up documents for this solicitation shall be 03/29/04. A pre-bid meeting will be held on 3/29/04 at the Trust’s offices at 2 PM in the Pier 40 Lobby, located at West Houston & West Streets, NYC. All document fees are payable to the HRPT by company or bank check and are non-refundable. Cash or personal checks will not be accepted. Criteria for determining the lowest qualified bidder shall include but not be limited to: 1. A detailed statement of your experience (minimum 5 years) on similar projects, with an emphasis on previous experience in successful implementation of your program’s structure to further the client’s mission, including the name, location, and cost of the projects (include projects within the NYC metropolitan area wherever possible). 2. A listing of equipment available to be utilized on the project that is owned and controlled by the company. 3. A listing of OSHA, ACOE, and NYS DEC violations issued for the last three years. 4. A detailed description of the complete team structure expected to perform the work (Interaction between the client, supervision and trainees) that you would expect to commit to the project. 5. Detailed financial statements including a five-year history of debarment, litigation, and bankruptcy filings by prime contractor or joint venture partners or principals. 6. Completed “Vendex” questionnaire completed within the last two years. 7. Completed New York State Uniform Contracting Questionnaire. 8. Qualifications of administrative and supervisory personnel available for the project. HRPT is an equal opportunity contracting agency. Any resulting contracts will include provisions mandating compliance with Executive Law Article 15A and the regulations promulgated there under. No calls please.

COURT-RELATED INFORMATION AND NOTIFICATION SERVICES - Competitive Sealed Proposals / Judgment required - PIN#  
02504X100032 - DUE 4-23-2004

The services sought include timely, secure, accurate and quality-assured electronic notification of OCA court events to individual attorney desktops. Such information would include calendaring, case milestones, and other types of information pertaining to cases being handled by or of interest to Law Dept. attorneys. The Law Dept. prefers to distribute the RFP electronically. Interested firms should request an electronic copy of the RFP by e-mail to: tdowling@law.nyc.gov. The file is approx. 150 KB in size.

DEVELOPING AND ANALYZING DESIGN AND CONSTRUCTION SCHEDULES - Competitive Sealed Proposals / Judgment required - PIN# 82620040310 - DUE 4-15-2004 AT 2:00 PM

The New York City Water Board (the “Board”) is issuing a Request for Proposals (RFP) to solicit proposals from qualified Consultants to develop a plan to ensure that the multiple projects planned for the Hudson Yards redevelopment (including but not limited to the expansion of the Javits Center, extension of the #7 line, construction of a multi-modal transportation center at 11th Avenue and 34th Street, and construction of multi-use sports/entertainment complex) do not conflict with the construction of City Tunnel No. 3 and its construction staging area (Shaft Site 26B) located at 10th Avenue and W. 30th Street. The selected Consultant will be expected to utilize and adapt all information about the proposed projects to recommend and develop an overall Hudson Yards Redevelopment Program schedule, including a high-level critical path, to best estimate milestones and end-dates for the various projects' design and construction to ensure uninterrupted construction of DEP's City Tunnel No. 3. The Consultant will be required to coordinate and integrate the development of an overall high-level Hudson Yards redevelopment critical path with the construction schedule for City Tunnel No. 3, Stage 2 and identify where opportunities exist for implementing controls in the construction schedule to ensure DEP's ability to vacate Shaft 26B on schedule.

All qualified firms with experience developing and analyzing design and construction schedules for complex programs involving multiple simultaneous projects required to be complete at or around the same definite end date and that have simultaneous, competing needs for the same physical staging areas and where delays in one project would impact the completion of the entire program, are invited to respond to the RFP. Copies of the RFP package and additional information may be obtained from Tricia M. Zenobio, New York City Water Board, 59-17 Junction Blvd., 19th Floor, Flushing, NY 11373, telephone: (718) 595-6524.

A proposers' conference will be held at 11:00 a.m. on March 23, 2004 at 59-17 Junction Boulevard, Flushing, NY 11373. You will need a picture ID to enter the building. All firms planning to attend the conference must register with the Contract Officer by 4:00 p.m., March 22, 2004. The deadline for submission of proposals is 2:00 p.m., April 15, 2004.

REACTIVATION OF THE STATEN ISLAND RAILROAD – Public Bid# 5320014 – DUE 04-23-04 AT 11:00 A.M. – For the reactivation of the Staten Island Railroad at the Arlington Yard and the Travis Branch line. The project will require installation of new tracks, railroad grade crossings, and high mast lighting in addition to the replacement of bridges. It will also involve earthwork, construction of drainage systems, retaining walls, security fencing and landscaping. The work is specified as follows: Notice to Bidders, Contract (Vol. 1 of 3)

Specifications (Vol. 2 of 3)

Specifications (Vol. 3 of 3)

Contract Drawings, Sheets 1 thru 145 (Vol. 1)

Contract Drawings, Sheets 146 thru 315 (Vol. 2)

The contract will be awarded by NYCEDC in consultation with HNTB Planners (the engineers) to the lowest responsible bidder based upon NYCEDC's evaluation criteria.

Documents may be picked up from NYCEDC, 110 William Street, 6th Floor, New York, NY 10038 from March 12, 2004 through April 22, 2004, 9:00 a.m. to 4:30 p.m. Please refer to the bid package as contract #5320014. Contact Paul J. Tamboia, Chief Contracting Officer, at (212) 312-3969. The cost for the bid package is \$100. Only certified checks, money orders or cash will be accepted. If additional packages are requested, there will be an addition charge of \$100 per package.

A pre-bid site visit is scheduled for March 30, 2004 at 10:00 a.m.; bidders are requested to meet at the Port Ivory security booth on Forest Avenue, Staten Island. Attendance is not mandatory; however, bidders are strongly encouraged to attend. Representatives from HNTB Planners, the NYCEDC engineering consultant, and pertinent New York City sponsoring departments will be available to address any questions or concerns you may have regarding the project.

Any technical questions or concerns you may have must be submitted in writing to Mr. Joe Sais, P.E., c/o HNTB, 352 Seventh Avenue, 5th Floor, New York, NY 10001 and received on or before April 15, 2004. The responses to technical questions will be faxed to all bidders by HNTB on April 20, 2004.

NEW YORK CITY INDUSTRIAL DEVELOPMENT AGENCY POOLED BOND PROGRAM – Request for Proposals – DUE 04-19-04 AT 4:00 P.M. – New York City Economic Development Corporation (NYCEDC), on behalf of the New York City Industrial Development Agency (NYCIDA), is issuing two requests for proposals, one for underwriters and one for bond counsel firms, to participate in the creation and execution of a new triple tax-exempt, composite or pooled bond program. The program is intended to assist for-profit manufacturers, and not-for-profit borrowers in various economic sectors, including: (i) arts and culture; (ii) private schools; and (iii) social services. NYCIDA expects to select one bond counsel firm and one senior underwriter. There is also potential to select one or more co-managing underwriters for the implementation of this program.

Detailed submission guidelines and requirements for proposals in response to this request are outlined in the full request[s] for proposal, copies of which will be available as of March 12, 2004. For more information and to request a copy of either of the requests for proposal, call (212) 312-3969. Please specify which request for proposal you are requesting.

DEVELOPMENT OPPORTUNITY IN CHARLESTON, STATEN ISLAND – Request for Proposals – DUE 05-17-04 AT 3:00 P.M. – The New York City Economic Development Corporation (NYCEDC) is seeking proposals for the development of a family-oriented recreation center and/or garden center on a vacant, approximately 9.675-acre parcel located at the intersection of Arthur Kill Road and Veteran's Road West in the Charleston section of Staten Island.

NYCEDC is seeking uses that would support the rapidly growing residential base, contribute to the overall economy of this area of Staten Island, and offer residents activities now largely only available out-of-state (i.e. pumpkin-picking, holiday-themed family events, and seasonal entertainment geared to young children and families). Developers and commercial/retail tenants that can offer gardening products and services, fresh produce, crafts and seasonal entertainment are encouraged to submit proposals. Of particular interests are uses complementary to the proposed surrounding developments for senior housing, parks, open space, educational and retail development.

For more information and to request a copy of the RFP, visit [www.nycedc.com/charlestonRFP](http://www.nycedc.com/charlestonRFP) or call (212) 312-3969. Five (5) copies of the proposal, identified as "Charleston Garden Center RFP" on the envelope, must be submitted and received by NYCEDC by 3:00 p.m., Monday, May 17, 2004.

ENGINEERING SERVICES FOR THE PREPARATION OF EMERGENCY ACTION PLANS FOR FOUR DAMS. - Competitive Sealed Proposals / Judgment required - PIN# 82605DAMS4EA - DUE 4-1-2004 AT 4:00 PM

Vendor Source ID: 15687

The New York City Department of Environmental Protection (DEP) is seeking a consultant to provide engineering services to prepare Emergency Action Plans for four of the Agency's Reservoirs, which are by definition dams. These plans are to provide guidelines for actions required to identify, mitigate and respond to various types of emergencies associated with the dams. The four dams located in New York City are Jerome Park Reservoir; Central Park Reservoir; Ridgewood and Silver Lake Reservoirs.

A Minimum of one of the organizations's principals shall be a registered professional engineer in the State of New York.

The Request for Proposal is available from the noted location beginning march 3, 2004.

A non mandatory site visit will be held Tuesday, March 16, 2004, 9:00 AM, Jerome Park Reservoir, 204 Street & Goulden Avenue, Bronx, New York. All Attendees Must notify Mr. William Yulinsky at (718) 595-5272 no less than two days prior to the site visit date.

CONSULTANT SERVICES – Request for Qualifications – DUE 04-07-04 – Greater Jamaica Development Corporation (GJDC) seeks consulting services for preliminary design, environmental assessment, and final design (option) of five public improvements in downtown Jamaica, Queens. The projects are federally funded by U. S. Dept. of Transportation (FHWA and FTA), with local match funding by New York State D.O.T and the Port Authority of New York & New Jersey. The New York City Economic Development Corp. is the local sponsor. The FHWA funds are administered by New York State D. O. T. and the FTA funds are administered by New York City D. O. T.

Civil Engineering, Environmental Assessment, Traffic Engineering, Landscape Architecture, and Community Outreach are the primary skills required. A complete RFQ package may be obtained by submitting a Letter of Interest to Greater Jamaica Development Corporation, 90-04 161st Street, Jamaica NY 11432, to the attention of Peter J. Engelbrecht, Director of Planning, Design and Capital Projects. A pre-proposal conference is scheduled for March 24, and the deadline for proposal submissions is April 7, 2004.

Disadvantaged Business Enterprises (DBEs) are encouraged to submit responses to this solicitation. Other proposers are encouraged to submit DBE subconsultants as appropriate. Subconsultants, sub-contracting, and joint ventures are permitted. Civil engineering consultants must be licensed to practice in the State of New York.

MASTER PLAN DESIGN SERVICES FOR THE FRIENDS OF THE HIGH LINE REQUEST FOR QUALIFICATIONS – DUE 04-01-04 AT 4:00 P.M. – The New York City Economic Development Corporation (NYCEDC), in conjunction with Friends of the High Line (FHL), is issuing a request for qualifications from design teams that would like to participate in the creation of a master plan to convert the elevated High Line rail viaduct to public open space. The High Line is located on the far West Side of Manhattan, from 34th Street to Gansevoort Street. The final product will be a master plan for the High Line as a whole, with schematic drawings and final construction documents for at least one section of the High Line. The necessary disciplines for each team shall include, but not be limited to, architecture, landscape architecture, engineering, landscape design, urban design, public art, lighting, botany, New York City building codes, cost estimating, and other elements.

Detailed submission guidelines and requirements are outlined in the RFQ available on the Internet at <http://www.thehighline.org/rfq> as of March 1, 2004. For more information or to request a hard copy of the RFQ, please fax your request to Olivia Stinson at (212) 206-9118. Responses are due no later than 4:00 p.m., Thursday, April 1, 2004. One (1) original and eleven (11) copies of the proposal should be sent to the Design Team Section Committee, Friends of the High Line, 430 West 14th Street, Suite 304, New York, NY 10014.

Design teams must have submitted a response to this RFQ to be considered for the forthcoming RFP.

**Description**

PRE-K STUDENT BUS TRANSPORTATION - Competitive Sealed Bids - PIN# 84104MBPT672 - DUE 3-30-2004 AT 10:00 AM

Pre-Kindergarten student transportation services for children in Pre-K Center-based, Early Intervention and Related Service programs. A maximum of 15 contracts will be bid under PIN # 84104MBPT672. The term of all classes runs through June 2008, except for Class 15 which will end on June 30, 2006.

Bid specification will be available starting March 1, 2004. A deposit fee of fifty dollars (\$50.00) made payable to New York City Department of Transportation is required to obtain bid documents. The deposit must be made in the form of a certified check or money order. No Cash Accepted. Refund will be made only for Bid Documents that are returned in their original condition.

It is strongly suggested that you attend a voluntary Pre-Bid Conference on March 12, 2004 at 10:00 AM at 40 Worth Street, Room 814, New York, NY 10013.

A SECURITY DEPOSIT OF SIX THOUSAND (\$6,000.00) IS REQUIRED.

Sealed bids for the Fifteen (15) classes of PIN # 84104MBPT672 must be received no later than 10:00 AM on March 30, 2004 at New York City Department of Transportation, 40 Worth Street, Room 824A, New York, NY 10013. Late bids will not be accepted. Bids will be opened at 11:00 AM on March 30, 2004 at New York City Department of Transportation, 40 Worth Street, Room 814, New York, NY 10013.

**PIN Number**

- 84104MBPT672 - SCHOOL

HUMAN RESOURCES - PERFORMANCE BASED MANAGEMENT SYSTEM – CSB – PIN# 0000006641/099 – DUE 03-31-04 AT 2:00 P.M. – The selected Proposer will provide a web-based performance management system that allows employees and managers to track, monitor, assess, and review employee/manager performance and plan staff development activities. The scope of the RFP includes provision of software and integration, implementation, training and annual support services.

As minimum requirements the Proposer must meet all of the following prerequisites: The proposed online performance management and employee development system must have been installed and must currently be in production and in use in at least five (5) customer sites. The proposed system must have been installed by the Proposer and must currently be in production and in use for at least six (6) months at a minimum of two (2) client sites similar in size to the Port Authority, that is: approximately 7,000 employees and 4000 users.

If the Proposer is a joint venture legal entity, the entity must meet the prerequisites; if the Proposer is a common law joint venture, each prerequisite must be met by at least one joint venture member. Common law joint ventures will be jointly and severally liable under any contract awarded. Proposers who submit as a common law joint venture may not change the composition of the joint venture without the written approval of the Authority; if meeting the prerequisites is based in part on the qualifications/experience of a replaced or withdrawn common law joint venturer, the joint venture may then be determined not to be qualified for award.

Interested parties should submit a request of a copy of the Request for Proposal by fax to (212) 435-3959 or e-mail to [askforbids@panynj.gov](mailto:askforbids@panynj.gov). Reference RFP#0000006641. Proposal due date is March 31, 2004, no later than 2:00 PM.

**Description**

COMPUTER SERVICES - Competitive Sealed Proposals / Judgment required - PIN# 071-04S-004-671 - DUE 4-26-2004 AT 5:00 PM

The New York City Department of Homeless Services (“DHS”) is issuing a Request for Proposals seeking qualified vendors to develop and implement a Homeless Management Information System (HMIS) in New York City.

The selected vendor will develop, implement, and manage an HMIS system that will aggregate standardized information from existing systems and provide a solution for those who do not have an existing system in order to document who is homeless, what they need, and to utilize information to inform service delivery and resource allocation.

The term of the contract is anticipated to be September 1, 2004 – August 30, 2006 and may include up to two 2-year options to renew. The maximum funds available to DHS for the initial term of the contract is \$2,335,986. Greater consideration will be given to proposers that propose more competitive prices.

The Request for Proposals will be available for pick-up beginning Thursday, February 26, 2004 at the Department of Homeless Services, 33 Beaver Street, 13th Floor Bid Desk, New York, NY.

The mandatory pre-proposal conference will be held on Thursday, March 18, 2004 at 2:00PM at the Department of Homeless Services, 33 Beaver Street, 17th Floor Training Room, New York, NY 10004.

Proposals are due Monday, April 26, 2004, no later than 5:00PM at Department of Homeless Services, 33 Beaver Street, 13th floor, room 1312, New York, New York 10004, Attn: Calvin Pitter, Deputy Agency Chief Contracting Officer.

Any questions regarding this solicitation should be directed to Ms. Tricia Ryan, Senior Policy Analyst, HUD NOFA Coordinator, DHS, 33 Beaver Street, Room 2016A, New York, N.Y. 10004 at (212) 487-8013 or e-mail at [tryan@dhs.nyc.gov](mailto:tryan@dhs.nyc.gov)

## Description

EXPERT PROFESSIONAL CONSULTANT SERVICES – CSB – DUE 03-29-04 AT 2:30 P.M. – The Port Authority of New York and New Jersey (the Authority) in conjunction with the New York State Department of Transportation and the Delaware Valley Regional Planning Commission wishes to identify consultants to respond to a Request for Qualifications/ Proposals (RFQ/RFP) for performance of Professional Consultant Services in connection with the Federal Aviation Administration (FAA) funded Regionals Airport Service Demand Study involving the following:

- 1 John F. Kennedy International, Newark Liberty International and LaGuardia Airports
- 1 Trenton and Atlantic City International Airports in New Jersey and Lehigh Valley International Airport in Pennsylvania
- 1 Stewart International, Westchester County and Long Island MacArthur Airports in New York State

Firms meeting the following prerequisites are encouraged to request and respond to a copy of this RFQ/RFP, which contains additional prerequisite requirements:

To qualify firms must demonstrate 5 years' experience:

- 1 In preparing airport forecasting In the utilization of statistical sampling and survey techniques specifically regarding aviation market analysis and forecasting
- 1 In the analyses and projections of passenger activity under various scenarios
- 1 In the design and operating analysis of large and medium size commercial service airports
- 1 In conducting airport and airfield capacity studies, facility utilization studies, delay analyses, gate analyses and the use of future technology to enhance airport capacity

Consultants will be required to submit two separate packages, one for the RFQ and one for the RFP. Because the study is being financed in part by a federal grant from Federal Aviation Administration, the initial RFP package may not contain pricing information. The Authority will use a two-step review process: in the first step qualification statements will be reviewed. Only Firms that meet or exceed all of the RFQ requirements will have their proposal opened, reviewed and considered. Joint ventures are acceptable. The highest rated Proposer will then be asked for a pricing proposal. It is contemplated that one Consultant will be chosen to conduct the study, but under three separate contractual agreements, each with a distinct scope of work, with the Port Authority, the New York State Department of Transportation, and the Delaware Valley Regional Planning Commission.

A copy of the RFQ/RFP will be furnished to interested consultants upon e-mail request to Nancy Molina, nmolina@panynj.gov in the RFQ/RFP letter.

POLICE EXECUTIVE MANAGEMENT EDUCATION INSTITUTE - Competitive Sealed Proposals / Other - PIN# 056040000361 - DUE 3-29-2004 AT 2:00 PM

The NY City Police Department seeks qualified educational institution to provide comprehensive, residential, advanced management education program to prepare NYPD middle management personnel for senior executive positions in Police Department. An optional but recommended Pre-Proposal Conference will be held on March 4, 2004 at 2:00 p.m. at the New York City Police Department, Conference Room 1403, One Police Plaza, 14th Floor, New York, NY 10038. To register to attend, please call (646)-610-5753 or e-mail mkeating@nypd.org Section 3-01 (c) of the City's Procurement Policy Board Rules states that procurement by competitive sealed proposals is the preferred method for awarding contracts for training and educational services.

FORENSIC CONSULTANT - Competitive Sealed Proposals / Other - PIN# 056040000346 - DUE 4-5-2004 AT 2:00 PM

for the Firearms Analysis Section of the Police Laboratory. The primary duties and responsibilities of the consultant will be the following: (1) Design, development and implementation of comprehensive training programs, including competency and proficiency tests, in firearm operability examination, in forensic microscopy (microscopic comparison), and in serial number restoration for personnel already in the Firearms Analysis Section and to newly assigned personnel with no previous firearms experience; (2) Design, development and implementation of a program to train examiners in moot Court sessions; (3) Provide remedial and follow-up training to personnel who have achieved proficiency in a particular discipline but who subsequently need additional training in that discipline; (4) Process cases and conduct operability, microscopy examinations, and serial number restorations when needed; (5) Prepare case notes and laboratory reports; (6) Testify in court as an expert witness when required. The hours required for this contract are sufficient so that any individual consultant being awarded this contract would essentially be working on this contract on a full time basis.

A recommended Pre-Proposal Conference is scheduled on Wednesday, March 10, 2004 at 11:30AM at NYPD, Forensic Investigations Division, Police Laboratory, 150-14 Jamaica Avenue, 2nd floor Conference Room, Queens, New York 11432. For directions to the Pre-Proposal Conference call Nabil Hanna at (718) 558-8757

Pursuant to Section 3-01(c) of the Procurement Policy Board Rules of the City of New York, procurement of these services by Competitive Sealed Proposals is the preferred solicitation method because the nature of the services to be provided under this contract is both educational and scientific.

SHELTER SERVICES - Competitive Sealed Proposals / Judgment required - PIN# 071-04S-003-680 - DUE 4-16-2004 AT 5:00 PM

To operate the following four adult shelters currently under the operation of DHS:

- 1122 Franklin Avenue, Bronx, CD # 3
- 116 Williams Avenue, Brooklyn, CD # 5
- 1322 Bedford Avenue, Brooklyn CD # 8
- 68 Lexington Avenue, Manhattan CD # 5

The selected providers at each facility will offer specialized programs which will address the underlying causes of homelessness among the most service resistant population. As such, DHS will negotiate 4 contracts. The term of the contracts is anticipated to be July 1, 2005 – June 30, 2010 with one option to renew for another 4 years.

The Request for Proposals will be available for pick-up beginning Tuesday, February 17, 2004 at the Department of Homeless Services, 33 Beaver Street, 13th Floor Bid Desk, New York, New York.

In order to accommodate questions and comments, DHS has scheduled site tours at the four (4) locations and a pre-proposal conference. Attendance is optional, but proposers are strongly advised and encouraged to attend the site visit(s) and the pre-proposal conference. The site visits will provide information on office layout, an understanding of the configuration of the facility and information on the building systems. The pre-proposal conference will address questions regarding the site visits and the Request for Proposal. The schedule for the tours and conference is as follows:

DATE: Tuesday, March 9, 2004  
 LOCATION: Brooklyn Women's Shelter  
 116 William Street  
 Brooklyn, N.Y  
 TIME: 10:00 A.M.

DATE: Tuesday, March 9, 2004  
 LOCATION: Bedford Atlantic Men's Shelter      1322 Bedford Avenue  
 Brooklyn, N.Y.  
 TIME: 2:00 P.M.

DATE: Thursday, March 11, 2004  
 LOCATION: Franklin Avenue Women's Shelter  
 1122 Franklin Ave  
 Bronx, N.Y.  
 TIME: 10:00 A.M.

DATE: Thursday, March 11, 2004  
 LOCATION: 68 Lexington Avenue Women's Shelter  
 68 Lexington Avenue  
 New York, N.Y.  
 TIME: 2:00 P.M.

The pre-proposal conference will be held on Monday, March 15, 2004 at 11:00AM at the Department of Homeless Services, 33 Beaver Street, 17th Floor Training Room, New York, New York 10004.

Any questions regarding this solicitation should be directed to Mr. Calvin Pitter, Deputy Agency Chief Contracting Officer, DHS, 33 Beaver Street, room 1312, New York, N.Y. 10004; telephone number (212) 361-8413.

JAMAICA CENTER ENHANCEMENTS PROJECT – Public Bid Contract #X756.82,X501.03 – DUE 03-17-04 AT 11:00 A.M. – Greater Jamaica Development Corp. (GLDC) is issuing a public bid for reconstruction of portions of 160th Street, 159th Street, Archer Ave., and Sutphin Blvd., including sewer work, water mains, street lighting, graphics and signing, traffic signal work, and aesthetic treatment to a LIRR embankment facade and 159th Street tunnel, together with all works incidental thereto in the Borough of Queens, New York, as follows:

- 1 Notice to Bidder's, General Conditions, Technical Specifications (1 book).
- 1 Contract Drawings (1 set).

Funding for this project is provided by the New York City Economic Development Corporation (EDC) under a Funding Agreement between EDC and GJDC, using funds obtained from the City of New York Capital Budget and from the Federal Highway Administration, through the New York State Department of Transportation. The contract will be awarded by GJDC, in consultation with EDC, to the most responsive submission based upon City of New York and EDC evaluation criteria.

Documents may be picked up at GJDC's offices at 90-04 161st Street, Jamaica, N. Y. from February 10 through March 3, 2004, from 9:30 a.m. to 4:30 p.m. Please refer to the bid package as contract # X756.82, X501.03. Cost for the bid package is \$100 and GJDC will accept only certified checks or money orders made payable to "Greater Jamaica Development Corporation". If additional bid packages are requested, there will be an additional charge of \$100 per package.

A pre-bid meeting is scheduled for 10:00 am on March 3, 2004 in the Harvest Room of Jamaica Market, 90-40 160th Street, Jamaica N.Y. Inquiries about the pre-bid meeting may be directed to Peter J. Engelbrecht, GJDC's Director of Planning, Design and Capital Projects (phone: 718-291-0282 ext. 132). Attendance is not mandatory; but bidders are strongly encouraged to attend. Representatives from GJDC and Daniel Frankfurt P.C., the design consultant, will be present to take questions and address any concerns you may have regarding the project. Any additional questions or concerns you may have after the pre-bid meeting must be submitted in writing to Mr. Engelbrecht at the address specified below, and must be received on or before March 10, 2004.

REAL ESTATE INVESTMENT CONSULTANTS FOR THE DEFINED BENEFIT ASSETS OF THE NEW YORK CITY RETIREMENT SYSTEMS AND RELATED FUNDS – CP/2 – PIN# 0150488400 ZR – DUE 03-05-04 AT 4:00 P.M. – An investment consultant is needed to provide real estate investment consulting and monitoring services and perform as a fiduciary to the New York City retirement systems. The systems plan to allocate approximately \$3.5 billion for investment in real estate over a multi-year period. Proposers must meet minimum qualifications stated in the RFP, which include having as of September 30, 2003: 1) Experience with a variety of real estate investments, 2) At least \$6 billion under management in real estate portfolios of institutional tax-exempt and public pension fund clients, 3) At least three non-affiliated tax-exempt institutional clients, including two public pension funds, each with assets of at least \$2 billion invested in real estate investments monitored and analyzed by the proposer, 4) At least a continuous five-year record overseeing real estate investments, and 5) At least key members who each have at least ten years experience performing real estate services for institutional clients.

Real estate personnel will be required to: 1) Assist in design and implementation of the Systems' real estate program, 2) Assist in the development and implementation of RFPs, selection of investment advisors and subsequent negotiation of terms, 3) Pre-screen prospective real estate managers and programs, 4) Conduct due diligence activities, 5) Monitor investments and performance reporting for real estate portfolio including compliance monitoring and interface with the custodian bank and provide quarterly and annual reports, 6) Research and report on emerging issues, market trends, new investment structures and techniques, and 7) Provide ongoing advice and assistance to the Comptroller about approved real estate investments, and 8) Attend meetings of the boards of trustees as requested.

AVIATION MULTI-FACILITY PERIMETER INTRUSION DETECTION SYSTEM (PIDS) – CSB/Request for Qualification Information – PIN# MFA-134.308 – DUE 02-23-04 – The Port Authority of New York and New Jersey intends to pre-qualify prospective bidders for this contract. Contact: Rainer Burger, telephone (201) 595-4757, fax (201) 595-4606, e-mail rburger@panynj.gov.

The contract involves the survey, design, purchase, system integration (software and hardware), infrastructure and systems installation, training, maintenance of open architecture integrated Perimeter Intrusion Detection Systems at John F. Kennedy International Airport, New York, LaGuardia Airport, New York, Newark Liberty International Airport, New Jersey, and Teterboro Airport, New Jersey. Infrastructure work may include fencing, camera towers, conduit, duct banks, field distribution cabinets, grading, trenching, power and signal cabling and pedestal installation. PIDS will include but will not be limited to wide area and line detection; day/night assessment and surveillance systems; air operations area access control; notification systems and the integration of these systems into a single access control, alarm annunciation and video monitoring control system (Control and Display System or CDS). The Lenel (access control/alarm annunciation) and Loronix (video monitoring control) systems have been selected as the Port Authority of NY & NJ standard access control, alarm annunciation and video monitoring control systems. The bidder may be required to utilize and integrate/upgrade the existing Lenel and Loronix systems to meet the requirement of a single CDS. The Authority may, however, consider other solutions if the bidder can effectively demonstrate the benefits. The construction cost is presently estimated to be between the range of \$45 Million to \$65 Million. It is anticipated that bid documents will be available to pre-qualified bidders on or about July 29, 2004.

## Description

MUNICIPAL LOT #1, DOWNTOWN FLUSHING, QUEENS – Request for Proposals – DUE 04-12-04 AT 4:00 P.M. – Sale and redevelopment of a portion of Municipal Lot 1 in Downtown Flushing (the Site) as a high-quality mixed-use development containing residential, commercial, and parking uses. The approximately 5-acre site, located on Block 4978, Lot 25, is zoned C4-3 and is served by several bus routes as well as the #7 subway train, which offers service between Queens and Manhattan.

Downtown Flushing is one of New York City's largest retail and commercial districts, and is home to a growing and diverse residential population. Main Street, the district's primary thoroughfare, is home to local and national retailers that serve local residents as well as shoppers throughout the metropolitan area.

The redevelopment of Municipal Lot 1 is key to establishing a standard of quality development in Downtown Flushing and catalyzing development in the downtown area east of Main Street. The mixed-use development program seeks to address several important public goals for Downtown Flushing, including:

Creating a town square-style open space that will be a center of community activity,

Enhancing the pedestrian environment with street-level retail to attract shoppers east of Main Street,

Addressing housing demand and helping to stabilize the retail market by establishing a new residential community downtown,

Maximizing competitively priced parking on the Site both during and after construction, and

Serving as a clear example of high-quality, sustainable design and construction that will raise the standard for private investment in Downtown Flushing.

For additional information regarding the guidelines and requirements of the RFP, please contact William Walsh by phone: (212) 618-5737 or e-mail: [flushinglot1rfp@nycedc.com](mailto:flushinglot1rfp@nycedc.com).

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

HOMELESS PREVENTION INITIATIVE - Competitive Sealed Proposals / Judgment required - PIN# 071-04S-003-752 - DUE 3-19-2004 AT 5:00 PM

provide homelessness prevention services for at risk families and adults in the following (6) Community Districts: Bronx CD #1 South Bronx/Mott Haven; Bronx CD #6 East Tremont/Belmont; Brooklyn CD #3 Bedford Stuyvesant; Brooklyn CD# 4 Bushwick; Manhattan CD #11 East Harlem; and Queens CD #12 Jamaica/Hollis. Contractors can submit up to six separate proposals, one for each Community District.

It is anticipated that the term of the contracts awarded from this RFP will be August 1, 2004 to June 30, 2007 with an option to renew for an additional 3-year term subject to the availability of funds.

Contractors who believe they can provide these services can pick up a Request for Proposals beginning January 30, 2004 at the Department of Homeless Services at 33 Beaver Street, 13th Floor Bid Desk, New York, New York 10004, between the hours of 9:30AM and 5:00PM.

In order to accommodate questions and comments, the Department has scheduled 2 pre-proposal conferences. The first pre-proposal conference will be held on February 25, 2004 from 10:30AM to 12:00PM at Wyckoff Heights Medical Center, 374 Stockholm Avenue, 5th Floor, Rooms B and C, Brooklyn, New York. The second conference will be held on February 26, 2004 from 1:30PM to 3:00PM at Lincoln Hospital, 234 East 149th Street, 1st Floor Auditorium, Bronx, New York. While the conferences are not mandatory, potential proposers are encouraged to attend the conference most convenient.

**Decription**

FIXED BASED OPERATOR AT LAGUARDIA – CSB – PIN# 0000006589/099 – DUE 03-19-04 AT 2:00 P.M. – The Port Authority of New York and New Jersey (hereinafter referred to as the “Port Authority” or the “Authority”) wishes to pre-qualify prospective firms to respond to an upcoming Request for Bid (hereinafter referred to as “Bid”) to act as the Operator of the Fixed Base Operation for general aviation, air taxi, scheduled commuter and itinerant aircraft at LaGuardia Airport. On behalf of the Authority, the fixed base operator will be responsible for (but not limited to) the storage, parking, repair and maintenance of such types of aircraft, the sale and supply of fuel to such types of aircraft, the supply of appropriate equipment and the collection of related fees as stipulated in the Bid. It is presently intended that bids will only be accepted from such pre-qualified firms.

**Minimum Prequalification Prerequisites:**

The prospective bidder shall have been continuously in the business of providing the following during the sixty (60) month period immediately preceding the date of this Request for Pre-qualification:

1. The storage, parking, repair and maintenance of aircraft, aircraft engines and aircraft parts and the collection of related fees;
2. The sale of aviation fuel and the fueling of aircraft; and
3. The operation of terminal facilities for the accommodation of aircrews and passengers.

In addition other Bidder minimum prerequisites will be stated in the subsequent RFPQ Document.

Interested persons may request a copy of the RFPQ from the Purchasing Services Division via our Web page at askforbids@panynj.gov or fax (212) 435-3959. Reference Bid 0000006589 on all requests.

There will be Pre-Qualification Facility Inspection at LaGuardia Airport on Thursday, March 4, 2004 at 10:00 A.M. All interested parties must call Ms. Frederika Watson at (718) 533-3454, Monday through Friday between the hours of 8:30 A.M. and 4:00 P.M. to receive facility inspection information and confirm their attendance.

Two Valid Forms of Photo ID are required to attend the Pre-Qualification Facility Inspection.

**Description**

TEMPORARY ATTORNEY SERVICES IN SUPPORT OF LITIGATION - Negotiated Acquisition / Other - PIN# 02503X100068 - DUE 2-19-2004 AT 5:00 PM

The New York City Law Department (the "Department") seeks Expressions of Interest ("EOI") from Legal Staffing Firms for the provision of temporary attorney services in support of litigation. The Department intends to enter into negotiations with one or more legal staffing firms that have regularly engaged in the provision of temporary attorneys to large law firms, legal departments of corporations, or government agencies. The selected firm will be required to provide the Department with temporary attorneys who are (i) members in good standing of the New York State Bar; (ii) registered with the New York State Office of Court Administration; and (iii) where applicable, admitted to practice before the United States District Courts for the Southern and Eastern Districts of New York. The temporary attorneys should also have experience with litigation motion practice and taking and defending depositions and other litigation-related services. Contract award will be by the Negotiated Acquisition method of source selection due to the Department's immediate need for temporary attorneys in support of litigation. The proposed contract will have a three year term commencing approximately May 21, 2004. Interested firms should send a written EOI: (1) by mail, messenger, or overnight carrier to Anita Fajans, Deputy Agency Chief Contacting Officer Senior Counsel, New York City Law Department, 100 Church Street, Room 6-219, New York, New York 10007; or (2) by sending an e-mailed request to: afajans@law.nyc.gov. The Questionnaire is available beginning January 22, 2004. Please specify in your request whether you wish to receive the Questionnaire by mail or by e-mail. The Department encourages interested firms to request the Questionnaire by e-mail. Responses to the Questionnaire must be submitted no later than 5:00 p.m. on Thursday, February 19, 2004. Responses to the Questionnaire will be evaluated by the Department to determine which firm(s) will be recommended for award of the contract. Firms under consideration for award of the contract may also be requested to appear for an interview by Department staff. The Law Department needs legal services for current/anticipated litigation.

CONSTRUCTION MANAGMENT SERVICES - Negotiated Acquisition / Specifications not definite - PIN# 82604WP00899 - DUE 1-20-2004 AT 11:30 AM

To enter into a Negotiated Acquisition with Hazen & Sawyer, P.C. for Construction Management Services in Connection with Construction Contracts 26W-11 and 26W-12- Replacement of the Raw Sewage Force Main and Biological Nutrient Removal (BNR) & Misc. Improvements at the 26th Ward WPCP. The basis for using the Negotiated Acquisition process is Pursuant to Section 3-04 (b)(2)(v) of the PPB Rules, there are compelling programmatic reasons to retain Hazen & Sawyer, P.C. for a later phase for the Construction Management Services in Connection with Construction Contracts 26W-11 and 26W-12 - Replacement of the Raw Sewage Force Main and Biological Nutrient Removal (BNR) & Misc. Improvements at the 26th Ward WPCP. In the case of this ongoing construction project, it is critical that the engineering services for the successive phases of the project are performed by the consultant who has performed the preliminary work. In view of Hazen & Sawyer's satisfactory performance of its current work on this project and its familiarity with all aspects project, it is in the City's best interest to procure this contract as a negotiated acquisition. The projected contract start date is September 1, 2004 and the projected end date is January 1, 2009. Any firm which believes it can also provide this category of service and would like to be considered for future related work, is invited to contact the Agency at: Department of Environmental Protection Agency Chief Contracting Officer, 59-17 Junction Boulevard, 17th Floor, Flushing, New York 11373, Attention: Ms Debra Butlien (718)595-3423.

HOME CARE SERVICES FOR MEDICAID-ELIGIBLE INDIVIDUALS WITH AIDS OR ADVANCE HIV ILLNESS - Competitive Sealed Proposals / Judgment required - PIN# 06905H040900 - DUE 2-26-2004 AT 2:00 PM

A Pre-Proposal Conference will be held on January 20, 2004 at 180 Water Street, 12th Floor, New York, N.Y. from 10:00 AM to 12 Noon. Attendance at the conference by proposing vendors is optional but strongly recommended by the Agency.

1. The Proposer must be a New York State Certified Home Health Agency (CHHA) or a Special Needs CHHA authorized to service AIDS clients in accordance with 18 NYCRR §505.14 and 10 NYCRR Parts 760, 761, 762 and must submit a copy of its New York State Department of Health (NYSDOH) certification.

2. Proposed subcontractors that would provide home attendant services must be licensed by NYSDOH to provide Personal Care services citywide, in accordance with 18 NYCRR §505.14, 10 NYCRR Part 765 and HRA (the New York City social services district) regulations. A copy of each proposed subcontractor's NYSDOH license must be submitted.

The Department of Design and Construction intends to enter into a sole source contract with Sunnyside Community Services for the above project. The contractor must have unique knowledge of the site, and must guarantee the assumption of all costs above the estimated cost of construction. In addition, the contractor must make a private financial contribution to fund the design and construction of this project. Any firm which believes that is is also qualified to provide these services or would like to provide such services in the future is invited to so indicate by letter, which must be received no later than January 20,2004 to: Steven Wong, Program Director, Pass Through, 5th Floor, 30-30 Thomson Ave. Long Island City, New York, N.Y. 11101.

TIER II SERVICES FOR HOMELESS FAMILIES - Negotiated Acquisition / Other - PIN# 071-04S-003-696 - DUE 1-9-2004 AT 2:00 PM

The Department of Homeless Services (DHS) is entering into negotiations with the HELP Social Services Corp. located at 30 East 33rd Street, New York, NY 10016 to provide Tier II services for Homeless Families located at 785 Crotona Park North, Bronx, New York 10460 and 285 East 171st Street, Bronx, New York, 10457. Each facility has a capacity to house up to 96 and 212 homeless families respectively. This contract will be done via Negotiated Acquisition pursuant to Section 3-04 (b)(2)(iii) of the Procurement Policy Board Rules to extend the underlying contract for two (2) years to allow the provider sufficient time to pay off the debt service to the NYS Housing Finance Agency.

It is anticipated that the extension contract with HELP Social Services Corp. will be from July 1, 2004 to June 30, 2006.

Qualified vendors that are interested in providing Tier II homeless services in the future may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer, Department of Homeless Services, 33 Beaver St., 13 Floor NY, NY 10004.

Compelling need to extend for two years.
