§2604. Prohibited interests and conduct.

a. Prohibited interests in firms engaged in business dealings with the city.

1. Except as provided in paragraph three below,

(a) no public servant shall have an interest in a firm which such public servant knows is engaged in business dealings with the agency served by such public servant; provided, however, that, subject to paragraph one of subdivision b of this section, an appointed member of a community board shall not be prohibited from having an interest in a firm which may be affected by an action on a matter before the community or borough board, and

(b) no regular employee shall have an interest in a firm which such regular employee knows is engaged in business dealings with the city, except if such interest is in a firm whose shares are publicly traded, as defined by rule of the board.

2. Prior to acquiring or accepting an interest in a firm whose shares are publicly traded, a public servant may submit a written request to the head of the agency served by the public servant for a determination of whether such firm is engaged in business dealings with such agency. Such determination shall be in writing, shall be rendered expeditiously and shall be binding on the city and the public servant with respect to the prohibition of subparagraph a of paragraph one of this subdivision.

3. An individual who, prior to becoming a public servant, has an ownership interest which would be prohibited by paragraph one above; or a public servant who has an ownership interest and did not know of a business dealing which would cause the interest to be one prohibited by paragraph one above, but has subsequently gained knowledge of such business dealing; or a public servant who holds an ownership interest which, subsequent to the public servant's acquisition of the interest, enters into a business dealing which would cause the ownership interest to be one prohibited by paragraph one above; or a public servant who, by operation of law, obtains an ownership interest which would be prohibited by paragraph one above shall, prior to becoming a public servant or, if already a public servant, within ten days of knowing of the business dealing, either:

(a) divest the ownership interest; or

(b) disclose to the board such ownership interest and comply with its order.

4. When an individual or public servant discloses an interest to the board pursuant to paragraph three of this subdivision, the board shall issue an order setting forth its determination as to whether or not such interest, if maintained, would be in conflict with the proper discharge of the public servant's official duties. In making such determination, the board shall take into account the nature of the public servant's official duties, the manner in which the interest may be affected by any action of the city, and the appearance of conflict to the public. If the board determines a conflict exists, the board's order shall require divestiture or such other action as it deems appropriate which may mitigate such a conflict, taking into account the financial burden of any decision on the public servant.

5. For the purposes of this subdivision, the agency served by

(a) an elected official, other than a member of the council, shall be the executive branch of the city government,

(b) a public servant who is a deputy mayor, the director to the office of management and budget, commissioner of citywide administrative services, corporation counsel, commissioner of finance, commissioner of investigation or chair of the city planning commission, or who serves in the executive branch of city government and is charged with substantial policy discretion involving city-wide policy as determined by the board, shall be the executive branch of the city government,

(c) a public servant designated by a member of the board of estimate to act in the place of such member as a member of the board of estimate, shall include the board of estimate, and

(d) a member of the council shall be the legislative branch of the city government.

6. For the purposes of subdivisions a and b of section twenty-six hundred six, a public servant shall be deemed to know of a business dealing with the city if such public servant should have known of such business dealing with the city.

b. Prohibited conduct.

1. A public servant who has an interest in a firm which is not prohibited by subdivision a of this section, shall not take any action as a public servant particularly affecting that interest, except that

(a) in the case of an elected official, such action shall not be prohibited, but the elected official shall disclose the interest to the conflicts of interest board, and on the official records of the council or the board of estimate in the case of matters before those bodies,

(b) in the case of an appointed community board member, such action shall not be prohibited, but no member may vote on any matter before the community or borough board which may result in a personal and direct economic gain to the member or any person with whom the member is associated, and

(c) in the case of all other public servants, if the interest is less than ten thousand dollars, such action shall not be prohibited, but the public servant shall disclose the interest to the board.

2. No public servant shall engage in any business, transaction or private employment, or have any financial or other private interest, direct or indirect, which is in conflict with the proper discharge of his or her official duties.

3. No public servant shall use or attempt to use his or her position as a public servant to obtain any financial gain, contract, license, privilege or other private or personal advantage, direct or indirect, for the public servant or any person or firm associated with the public servant.

4. No public servant shall disclose any confidential information concerning the property, affairs or government of the city which is obtained as a result of the official duties of such public servant and which is not otherwise available to the public, or use any such information to advance any direct or indirect financial or other private interest of the public servant or of any other person or firm associated with the public servant; provided, however, that this shall not prohibit any public servant from disclosing any information concerning conduct which the public servant knows or reasonably believes to involve waste, inefficiency, corruption, criminal activity or conflict of interest.

6. No public servant shall, for compensation, represent private interests before any city agency or appear directly or indirectly on behalf of private interests in matters involving the city. For a public servant who is not a regular employee, this prohibition shall apply only to the agency served by the public servant.

7. No public servant shall appear as attorney or counsel against the interests of the city in any litigation to which the city is a party, or in any action or proceeding in which the city, or any public servant of the city, acting in the course of official duties, is a complainant, provided that this paragraph shall not apply to a public servant employed by an elected official who appears as attorney or counsel for that elected official in any litigation, action or proceeding in which the elected official has standing and authority to participate by virtue of his or her capacity as an elected official, including any part of a litigation, action or proceeding prior to or at which standing or authority to participate is determined. This paragraph shall not in any way be construed to expand or limit the standing or authority of any elected official to participate in any litigation, action or proceeding, nor shall it in any way affect the powers and duties of the corporation counsel. For a public servant who is not a regular employee, this prohibition shall apply only to the agency served by the public servant.

8. No public servant shall give opinion evidence as a paid expert against the interests of the city in any civil litigation brought by or against the city. For a public servant who is not a regular employee, this prohibition shall apply only to the agency served by the public servant.

13. No public servant shall receive compensation except from the city for performing any official duty or accept or receive any gratuity from any person whose interests may be affected by the public servant's official action.

14. No public servant shall enter into any business or financial relationship with another public servant who is a superior or subordinate of such public servant.

[see also "Topics: Political Activities" for a discussion on restrictions on political activity by public servants.]

c. This section shall not prohibit:

2. a public servant from accepting or receiving any benefit or facility which is provided for or made available to citizens or residents, or classes of citizens or residents, under housing or other general welfare legislation or in the exercise of the police power;

3. a public servant from obtaining a loan from any financial institution upon terms and conditions available to members of the public;

4. any physician, dentist, optometrist, podiatrist, pharmacist,

chiropractor or other person who is eligible to provide services or supplies under title eleven of article five of the social services law and is receiving any salary or other compensation from the city treasury, from providing professional services and supplies to persons who are entitled to benefits under such title, provided that, in the case of services or supplies provided by those who perform audit, review or other administrative functions pursuant to the provisions of such title, the New York state department of health reviews and approves payment for such services or supplies and provided further that there is no conflict with their official duties; nothing in this paragraph shall be construed to authorize payment to such persons under such title for services or supplies furnished in the course of their employment by the city;

5. any member of the uniformed force of the police department from being employed in the private security field, provided that such member has received approval from the police commissioner therefor and has complied with all rules and regulations promulgated by the police commissioner relating to such employment;

e. Allowed positions.

A public servant or former public servant may hold or negotiate for a position otherwise prohibited by this section, where the holding of the position would not be in conflict with the purposes and interests of the city, if, after written approval by the head of the agency or agencies involved, the board determines that the position involves no such conflict. Such findings shall be in writing and made public by the board.

A member of the Commission will be deemed to "appear indirectly" before a City agency concerning a particular matter if he or she communicates indirectly with such agency, by, for example, having another person, including but not limited to a member of the Commissioner's firm, represent to the agency orally or in writing what the Commissioner's views are on such matter. An indirect appearance will not include, in and of itself

Ministerial.

A "ministerial" matter, in accordance with Charter Section 2601(15), shall mean an administrative act, including the issuance of a license, permit or other permission by the City which is carried out in a prescribed manner and which does not involve substantial personal discretion.

(b) *Prohibited appearances.*

(1) For the purposes of Charter Section 192(b), no member of the City Planning Commission (the Commission) while serving as a member, shall appear directly or indirectly before: the Mayor and Deputy Mayors and their staffs; the Mayor's Office of Planning and Coordination; the offices of the Borough Presidents; the City Council; community boards; the Art Commission; the Office of Environmental Coordination; the Landmarks Preservation Commission; and the Hardship Appeals Panel to which certain determinations of the Landmarks Preservation Commission may be appealed.

§1-13 Conduct Prohibited by City Charter §2604 (b)(2).

(a) Except as provided in subdivision (c) of this section, it shall be a violation of City Charter §2604(b)(2) for any public servant to pursue personal and private activities during times when the public servant is required to perform services for the City.

(b) Except as provided in subdivision (c) of this section, it shall be a violation of City Charter §2604(b)(2) for any public servant to use City letterhead, personnel, equipment, resources, or supplies for any non-City purpose.

(c) (1) A public servant may pursue a personal and private activity during normal business hours and may use City equipment, resources, personnel, and supplies, but not City letterhead, if

(i) the type of activity has been previously approved for employees of the public servant's agency by the Conflicts of Interest Board, upon application by the agency head and upon a determination by the Board that the activity furthers the purposes and interests of the City; and

(ii) the public servant shall have received approval to pursue such activity from the head of his or her agency.

(2) In any instance where a particular activity may potentially directly affect another City agency, the employee must obtain approval from his or her agency head to participate in such particular activity. The agency head shall provide written notice to the head of the potentially affected agency at least 10 days prior to approving such activity.

(d) It shall be a violation of City Charter §2604(b)(2) for any public servant to intentionally or knowingly:

(1) solicit, request, command, importune, aid, induce or cause another public servant to engage in conduct that violates any provision of City Charter §2604; or

(2) agree with one or more persons to engage in or cause the

performance of conduct that violates any provision of City Charter §2604.

(e) Nothing contained in this section shall preclude the Conflicts of Interest Board from finding that conduct other than that proscribed by subdivisions (a) through (d) of this section violates City Charter §2604(b)(2), although the Board may impose a fine for a violation of City Charter §2604(b)(2) only if the conduct violates subdivision (a), (b), (c), or (d) of this section. The Board may not impose a fine for violation of subdivision (d) where the public servant induced or caused another public servant to engage in conduct that violates City Charter §2604(b)(2), unless such other public servant violated subdivision (a), (b), or (c) of this section.
