CD 1 N 150287 ZRX
IN THE MATTER OF an application submitted by the West Side Federation for Senior and Supportive Housing pursuant to Section 201 of the New York City Charter for an amendment of the Zoning Resolution of the City of New York involving provisions for large-scale general developments relating to a special permit by which the City Planning Commission may reduce or waive parking requirements for non-profit residences for the elderly.

Matter in underline is new, to be added;
Matter in strikeout is to be deleted;
Matter with # # is defined in Section 12-10;
*** indicates where unchanged text appears in the Zoning Resolution

74-74
Large-Scale General Development

74-745
Accessory parking spaces and loading berths
Modifications of parking and loading regulations

For a #large-scale general development# the City Planning Commission may permit:

- (a) Modification of location requirements
When a #large-scale general development# includes two or more #zoning lots#, the City Planning Commission may permit required or permitted #accessory# off-street parking spaces, bicycle parking spaces or loading berths to be located anywhere within a #large-scale general development# without regard for #zoning lot lines#, provided that the Commission shall find:
(1) such off-street parking spaces, bicycle parking spaces and loading berths will be conveniently located in relation to the #use# to which such spaces or berths are #accessory#;
(2) such location of off-street parking spaces, bicycle parking spaces and loading berths will result in a better site plan; and
(3) such location of off-street parking spaces, bicycle parking spaces and loading berths will not unduly increase the number of spaces in any single #block#, draw excessive traffic through local #streets#, or otherwise adversely affect traffic conditions in the surrounding area.

Whenever required off-street parking spaces, bicycle parking spaces and loading berths are permitted to be located without regard for #zoning lot lines# in accordance with the provisions of this Section, the number of spaces required for each #building# shall be kept available for such #building# throughout its life.

- (b) Waiver or reduction of loading berth requirements
For #zoning lots# in a #large-scale general development#, located within a waterfront area pursuant to paragraph (b) of Section 62-132, in Community District 1 in the Borough of Brooklyn, that contains one or more #retail or service uses# listed in Use Group 6A, 6C, 7B, 8B, 9A, 10A, 12B, 14A or 16A, and where no single such establishment exceeds 8,500 square feet in #floor area#, the City Planning Commission may waive or reduce the number of required loading berths, provided that:
(1) curbside deliveries will not create or contribute to serious traffic congestion or unduly inhibit vehicular or pedestrian movement and will not interfere with the efficient functioning of nearby #uses#;
(2) an efficient goods receiving system will be implemented within the #commercial# establishment to expedite the movement of goods from the curb to areas within the

establishment;

- (3) such modification allows for a better relationship between the #street walls# of the #building# containing such establishment and the adjacent sidewalk and surrounding area; and
(4) such modification will not impair or adversely affect the development of the surrounding area.

(c) Reduction of parking requirements

For #buildings# on #zoning lots# in a #large-scale general development#, within R7-2 districts in Community District 1 in the Borough of the Bronx, that contain a #non-profit residence for the elderly#, the City Planning Commission may reduce or waive the number of required #accessory# off-street parking spaces, including any spaces previously required for an existing #building# provided that the Commission finds:

- (1) that the anticipated automobile ownership patterns for residents of such #non-profit residence for the elderly# are minimal and that such reduction or waiver is warranted;
(1) that such reduction of parking spaces will not have undue adverse impacts on the residents, businesses or community facilities in the surrounding area; and
(2) that such reduction of parking spaces will result in a better site plan with better quality open areas.

In determining the amount of parking spaces to reduce or waive, the Commission may take into account current automobile ownership patterns for an existing #non-profit residence for the elderly# on the #zoning lot#, as applicable.

The City Planning Commission may prescribe additional conditions and safeguards to minimize adverse effects on the surrounding area.

PROCUREMENT

“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)

Housing and Preservation Department (HPD)
 Human Resources Administration (HRA)

Proposed Rule Amendment

In compliance with Section 1043 of the New York City Charter, and exercising authority vested in the Campaign Finance Board (the "Board") under Chapter 46 of the New York City Charter (including Sections 1052(a)(8) and 1052(a)(12) thereof) and under the New York City Campaign Finance Act (the "Act") (including Section 3-708(8) of the New York City Administrative Code), the Board proposes amendments to the Campaign Finance Board rules related to disclosure statement documentation and public funds eligibility.

Instructions

- You may send written comments regarding the proposed rules to the Executive Director of the Campaign Finance Board, 100 Church Street, 12th Floor, New York, or electronically through the [NYC Rules](http://www.nyc.gov/nycrules) website at <http://www.nyc.gov/nycrules>, no later than July 10, 2015.
- If you want to testify please notify the General Counsel of the Campaign Finance Board at the foregoing address by close of business on July 10, 2015.
- Written comments and a transcript of the hearing will be available for public inspection, within a reasonable time after receipt, at the offices of the Campaign Finance Board on weekdays between 9:00 A.M. and 5:00 P.M.

I. Explanation, Basis, and Purpose

The Board is proposing amendments to the Board Rules in compliance with Section 1043 of the New York City Charter and under the authority vested in the Board under Chapter 46 of the New York City Charter and under the Act (including Section 3-708(8) of the New York City Administrative Code).

These proposed amendments would:

- Require that candidates submit copies of any bank records and deposit slips not previously submitted along with each disclosure statement; and
- Clarify the grounds on which the Board may determine that a participating candidate is ineligible to receive public funds.

Campaign Finance Disclosure Statements: Contents [Section 3-03]

The Board proposes to require that disclosure statements be accompanied by all of the campaign committee's bank records and deposit slips not previously submitted, and to provide that statement submissions may be rejected if not accompanied by such records. Currently, such records are submitted during the post-election audit unless specifically requested by the CFB. This change will allow the CFB to inform campaigns of reporting and documentation discrepancies earlier in the election cycle. This change will: 1) enable

campaigns to correct such discrepancies, improving the quality of public disclosure; and 2) facilitate the timely resolution of problems that might otherwise lead to violation and/or penalty determinations. It will also relieve the burden on campaigns to maintain and store a high volume of bank records throughout the pre-election period.

Basis for Ineligibility Determination [Section 5-01(f)]

The Board proposes to make two changes to this rule, which governs the basis for a determination of public funds ineligibility. First, it proposes to remove the phrase "for reasons that include, but are not limited to" from the introduction to this section. Second, the Board proposes to add one criterion to the end of the list of grounds upon which the Board may base a determination that a candidate is ineligible to receive public funds. The new criterion would render a candidate potentially ineligible if there is reason to believe that the participating candidate, or that candidate's agent, has engaged in conduct detrimental to the Program that is in violation of any applicable law not otherwise referenced in the rule. This change is intended to clarify that a "catch-all provision" is included to capture egregious conduct whose specific elements are not described elsewhere in the list, but that would nonetheless provide sufficient justification for the Board to determine that the participant who engaged in such conduct, or whose agent engaged in such conduct, is ineligible to receive public funds.

II. Proposed Rules

New matter is underlined. Deleted matter is shown in [brackets].

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this board, unless otherwise specified or unless the context clearly indicates otherwise.

Section 3-03 of chapter 3 of title 52 of the rules of the city of New York is amended by adding a new subdivision (f) as follows:

(f) Documentation. Together with each disclosure statement, the candidate shall submit documentation to verify the accuracy of the data reported, including all bank records and deposit slips required to be maintained pursuant to Rules 4-01(b)(1) and 4-01(f)(1) not previously submitted. A disclosure statement may be rejected as an insufficient submission if not accompanied by such documentation.

Subdivision (f) of section 5-01 of chapter 5 of title 52 of the rules of the city of New York is amended to read as follows:

- (f) Basis for ineligibility determination.** The Board [shall] may determine [whether] that public funds shall not be paid to a participant [for reasons that include, but are not limited to] if:
- (1) [if there is reason to believe that the participant has committed a violation of the Act or these Rules;
 - (2) [if the participant has failed to meet one of the eligibility criteria of the Act or these Rules;
 - (3) if (2) the participant is required to repay public funds previously received, as described in Rule 5-03, or [if] the participant has failed to pay any outstanding claim of the Board for the payment of civil penalties or the repayment of public funds against such participant or his or her principal committee or a principal committee of such participant from a prior covered election, provided that the participant has received written notice of the potential payment obligation and potential ineligibility determination in advance of the certification deadline for the current covered election or an opportunity to present reasons for his or her eligibility for public funds to the Board;
 - (4) if (3) the participant fails to submit a disclosure statement required by these rules;
 - (5) if (4) the participant fails to provide to the Board, upon its request, documents or records required by Chapter 4 of these rules, or other information that verifies campaign activity;
 - (6) if (5) previous public fund payments to the participant for the election equal the maximum permitted by the Act;
 - (7) [if the participant or an agent of the participant has been found by the Board to have committed fraud in the course of Program participation or to be in breach of certification pursuant to Rule 2-02;
 - (8) if (6) the participant fails to file the receipt indicating compliance with §12-110 of the Code, as required pursuant to §3-703(1)(m) of the Code and Rule 3-11;
 - (9) if (7) the participant endorses or publicly supports his or her opponent for election pursuant to §3-705(9) of the Code; [or
 - (10) if (8) the participant loses in the primary election but

remains on the ballot for the general election and fails to certify to the Board, as required by §3-705(10) of the Code, that he or she will actively campaign for office in the general election, or [if] the participant certifies to the Board that he or she will actively campaign for office in the general election but thereafter fails to engage in campaign activity that shall include but not be limited to, raising and spending funds, seeking endorsements, and broadly soliciting votes[.];

- (9) there is reason to believe that the participant or an agent of the participant has committed a violation of the Act or these Rules;
(10) the participant or an agent of the participant has been found by the Board to have committed fraud in the course of Program participation or to be in breach of certification pursuant to Rule 2-02; or
(11) there is reason to believe that the participant or an agent of the participant has engaged in conduct detrimental to the Program that is in violation of any other applicable law.

HOUSING PRESERVATION AND DEVELOPMENT

PUBLIC HEARINGS

CANCELLATION OF PUBLIC HEARING

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, notice is hereby given that the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed an amendment to the terms and conditions of the sale of the following property ("Disposition Area") in the Borough of The Bronx:

Address	Block/Lot
120-126 West 169 Street	2518/p/o 31

This submission is to seek an amendment of Original Project, which was known as Nelson Senior Housing. The Original Project was for the construction of one seven-story multiple dwelling with 81 units of senior housing and one superintendent unit, plus passive recreation area and parking. The Original Project was completed in 2004. Under the proposed amended project ("Amended Project"), the current owner of the Disposition Area, Nelson Senior Housing Development Fund Corporation, will convey the portion of the Disposition Area currently used as parking, known as Block 2518, Lot p/o 31 ("Amended Project Area") to Excelsior II Housing Development Fund Corporation ("Sponsor"). Sponsor will thereafter construct on the Amended Project Area a new nine-story multiple dwelling containing approximately 59 rental dwelling units plus one superintendent unit. The new building will also be situated in part on an adjacent property located on Block 2518, Lot 36. The building will be constructed under HPD's Extremely Low and Low Income Affordability Program ("ELLA").

Under HPD's ELLA, sponsors purchase City-owned land or vacant buildings and construct or rehabilitate multifamily buildings in order to create affordable rental housing. Construction and permanent financing is provided through loans from private institutional lenders and from public sources including HPD, the New York City Housing Development Corporation, the State of New York, and the federal government. Additional funding may also be provided from the syndication of low-income housing tax credits. The newly constructed or rehabilitated buildings provide rental housing to low-income

families. Subject to project underwriting, up to 30% of the units may be rented to formerly homeless families.

The proposed Amended Land Disposition Agreement and Supplemental Project Summary are available for public examination at the office of HPD, 100 Gold Street, Room 5-A4, New York, NY on business days during business hours.

CANCELLATION OF PUBLIC HEARING

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, notice is hereby given that the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed an amendment to the terms of the sale of the following City-owned property (collectively, "Disposition Area") in the Borough of Manhattan:

Address	Block/Lot
21 West 118th Street	1717/23

The sale was approved by the Board of Estimate by Resolutions adopted on December 18, 1986 (Cal. No. 12) and July 16, 1987 (Cal. No. 10) and the Disposition Area was conveyed by the City by Indenture dated as of December 11, 1987 (the "Deed"). The Deed required rehabilitation of the building on the Disposition Area and subsequent use of the Disposition Area as transitional housing for homeless persons for at least 15 years until converted to permanent housing.

The Disposition Area has been continuously used as transitional housing in accordance with the Deed since completion of rehabilitation in 1990 and is intended to be converted to permanent housing for homeless families with financing provided in whole or in part by HPD's Supportive Housing Loan Program.

This submission is for an amendment to the Deed to permit development on the Disposition Area of a community facility with no reduction in the space provided for homeless housing. The community facility would be constructed on a portion of the Disposition Area which is currently undeveloped and is not intended to be financed by the City.

PLEASE TAKE NOTICE that a public hearing will be held on June 10, 2015, at Second Floor Conference Room, 22 Reade Street, Manhattan at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed use of a portion of the Disposition Area for a community facility pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter.

Individuals requesting sign language interpreters should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253 Broadway, Room 915, New York, NY 10007, (212) 788-7490, no later than five (5) business days prior to the public hearing. TDD users should call Verizon relay services.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
