

CULTURAL DEVELOPMENT FUND FISCAL 2016 FINAL REPORT INSTRUCTIONS

TO: FY16 CDF Grant Recipients
FROM: NYC Department of Cultural Affairs
DATE: June 6, 2016

The Department of Cultural Affairs is pleased to announce the launch of the reporting process for organizations funded through the Cultural Development Fund ("CDF") for Fiscal Year 2016 ("FY16"). All organizations funded for FY16 must report on their funded services in order to retain the funds paid, receive any payments due, and remain in good standing for future funding. The online Final Report mimics the look and feel of the CDF Application; however, unlike the Application, users are able to edit and correct the data entered and to resubmit the form, which must be approved by the Agency prior to issuing final payment.

The information provided in the Final Report must detail *all* the projects described in your organization's FY16 grant Agreement or approved Scope of Services Request for Revision. For your reference, project information that was entered in the FY16 CDF Application/Renewal is displayed in blue throughout the report form; however, any revisions to those project details (submitted through the Scope of Services Request for Revision via email) will not be reflected in the form. While entering your information, note that a high level of detail—including relevant programmatic, administrative and fiscal information—is required; in addition to the online form, documentation supporting each funded project should be submitted on paper. Remember that while applicants request funds for and are evaluated on their public services, funds received from DCA can be used to cover any organizational costs other than capital expenditures, fundraising events, or government advocacy efforts.

The Final Report must be submitted as soon as possible after the completion of all services. In addition to the online form, Supplemental Materials must be mailed or hand-delivered to our office. Required templates can be found under the "Reporting" tab of [DCA's website](#). Submissions of both the online form and Supplemental Materials are **due as soon as possible after the completion of the funded services, and no later than Monday, August 1, 2016.**

Once submitted, the online form and Supplemental Materials will be reviewed by your Program Specialist for detail, scope and accuracy; while the submission is being reviewed, the online form cannot be edited. If the submission lacks accuracy or detail, your Program Specialist will request revisions; this request will allow edits to be made to the online form and will require re-submission. Multiple submissions of a Final Report will result in payment delays and may result in an unsatisfactory rating under this grant Agreement, which could affect future funding, so **please check your submission and accompanying mailed documentation carefully.**

DCA requires that you bring to our attention any difficulties you may be having in delivering the services referenced in your grant Agreement. In some instances it may be necessary to request a change to the Scope of Services in your grant Agreement. Organizations with such modifications must submit DCA's [Scope of Service Request for Revision form](#) and have it **approved prior to submitting the Final Report.** Requests for Revisions should be submitted [via email](#) to your Program Specialist.

Failure to Submit a Complete or Timely Report

As described in the FY16 grant Agreement, organizations that do not comply with the reporting requirements above—including failure to submit a complete, accurate report by August 1—will be ineligible for funding in Fiscal Years 2017 and 2018, and may be required to return funds received previously.

LOGGING IN AND TIMING OUT

- **Only one "user" can be logged in at a time.** Please keep this in mind if multiple individuals will be working on the Report.
- **Users will automatically be logged out of the system after twenty minutes of inactivity.** To keep the form active, you must SAVE the Report using any of the methods listed below. A pop-up message will alert you five minutes before the session automatically expires. Information entered after the last SAVE will be lost if you are automatically logged out, so be sure to save often.

SIDEBAR

On the left side of each page you will find the sidebar, which you can use to jump to another section or project while saving your work (you do not need to complete each section sequentially). Once a section or project is complete, a checkmark will appear in the box next to that section. Use the sidebar to monitor your progress: you cannot submit the Report until every box is checked, indicating that each section or project is complete.

ORIGINAL APPLICATION/RENEWAL INFO

The information you entered in your FY16 CDF Application or Renewal form is displayed as *BLUE TEXT* throughout the online Final Report. This information is a reference and reminder of what your organized proposed for funding, and should not be simply cut and pasted into the reporting fields. The report must include detailed information about your projects *as they actually occurred*. Remember: any revisions to those project details (submitted through the Scope of Services Request for Revision) will not be reflected in the online form. Report on the project as revised.

SAVE, CANCEL, AND ARROW BUTTONS

- There are yellow buttons at the bottom of each page. The SAVE button will save your Report. The arrows move you to the next or previous page while saving your work.
- You may save your work at any time (and should save frequently), log out, and return to the form later.
- If you hit CANCEL on any page, your browser will return to the "Welcome" page and previously entered information will not be saved.

PRINT PREVIEW

For your convenience, the PRINT PREVIEW button is on every page throughout the form. Use this to open a new window where you can preview your full Report, save it as a PDF to your computer, or review which fields have not been completed; incomplete fields will appear in **red** throughout your Print Preview.

After opening the form, you will be taken to the Organization Details section. In this section, you will be asked to identify a Final Report Contact and review the details of your FY16 award and payments to date.

Begin by clicking on the dropdown to select your "Final Report Primary Contact," the person at your organization who will act as the contact for this Report. The names and contact information that appear in this section are **read-only** and display only the Active Primary and Delegate users in your organization's Account Profile. There you should make any changes, confirm the contact person is "Active," or register a new user. Remember: only the Primary User can invite new users. Once you have updated your Account Profile, log out, then log in again and this section will reflect those changes.

FISCAL 2016 AWARD INFORMATION

This section displays FY16 award and payment information for your organization. The "Total Final Award" is your CDF award in the current fiscal year. Please consult your award letter and Grant Agreement (and Amendment, if applicable) to confirm this amount. The "Reduction(s) Taken" is the amount deducted from your original award due to a mid-year budget cut to the Agency. The Total Final Award includes this amount and will differ from your Agreement if there was a "Reduction(s) Taken." The final payment due to your organization will also appear here. This is the amount that will be processed upon completion and approval of this Final Report.

CONDUIT INFORMATION

If your organization applied through a conduit (or fiscal sponsor) for FY16 please select "Yes" and enter the conduit's name here. Be sure to review this Final Report with your conduit prior to submission. If your conduit information has changed since your original submission, please contact your Program Specialist immediately; additional material will be required.

HELP WITH THE ONLINE FORM

Click on the Project Title to begin reporting on each funded project. The Project Title on display here will update when you enter an Actual Project Title in the Project Details section.

PROJECTS

Your organization's funded projects will appear in priority order here, and will display a status of "Incomplete." Once you have entered information in every field for that project, the status will become "Complete." Projects included in the FY16 CDF Application/Renewal but not funded will not be included here. All projects must be "Complete" for the Report to be submitted.

SCOPE CHANGES - If the scope of your project has changed significantly (e.g., the project costs differ by more than 20% or the number of people served is significantly different from your original submission) you will be required to submit a [Scope of Services Request for Revision](#) before completing the Final Report. Please contact your Program Specialist to discuss this process. Once the request has been Approved, you may continue with your Report. If the status of your Scope Change is "In Review," please log in again in two business days to see if your request has been Approved.

DESIGNATION

From the dropdown menus, select one discipline and one borough to describe your overall Report, based on the completed projects.

SUPPLEMENTAL MATERIALS

Supporting documentation, which must be mailed or hand-delivered to DCA's office, is required in addition to the online form to supplement each funded project. Use the checkboxes in this section to indicate the type of background material your organization intends to submit to DCA. The material should only relate to the projects included in this Report. If you do not see a category listed for your material, click "Other," and enter a brief description (e.g., CDs and DVDs).

CONFLICTS OF INTEREST DISCLOSURE

In this section you are being asked to certify that in the provision of City-funded services, you have not retained any outside service providers that have a "personal interest" that may appear to raise a conflict. These may include individuals, consultants, or independent contractors, and personal interests may include:

- The spouse, domestic partner, or family member of a director, officer, or employee of the organization
- A person who has a financial relationship with a director, officer or employee of the organization
- An elected official or other officer or employee of the City of New York
- The spouse, domestic partner or family member of an elected official that allocated funding to the organization
- A person who has a financial relationship with the elected official that allocated funding to the organization

If the answer is "No," submit the [Conflicts of Interest Certification](#) to CDFReport@culture.nyc.gov by the August 1, 2016 deadline.

In this section you will be able to report on your funded projects. To enter information about each project, click the title of the project on the Project Summary page or the project number on the left sidebar.
