

DCAS asks you to **CONSERVE ENERGY**

@ the work site

1. Please use CFLs (compact fluorescent lightbulbs) in construction area lighting.
2. Turn off all lights not required for security at the end of the day.
3. Close and secure all windows at the end of the day for the safety of all building occupants.

@ the field office

1. Turn off all lights not required for security at the end of the day.
2. Turn off any heating or cooling equipment when you leave at the end of the day.
3. Shut off office equipment (printers, copiers, etc.) when not in use and at the end of each day.
