Office Title: Watershed Maintainer	Work Location: 7870 State Rd 42 Grahamsville, NY
Division/Work Unit: Water Supply/Operations	Number of Positions: 1
Hours/Shift: 40 Hours per Week/Day	Agency Tracking #: N/A

Job Description

Working in the Western Operations Division, Grahamsville Region, the selected candidate will perform duties related to the operation; maintenance, repair and inspection of dams, aqueducts, facilities, vehicles, equipment, roads, bridges, land and related systems of the City of New York in accordance with Department rules and regulations; general forestry work, inspecting lands, removing refuse, installing and maintaining gates, roads and other natural and man-made features on City lands, removing snow and performing natural resources surveys, arranging for the requisition and storage of supplies and equipment, maintaining logs of operations, maintenance and water quality; operating communications equipment, hand and power tools, driving motor vehicles and other equipment. Will comply with all applicable environmental, health and safety rules and regulations.

Qualification Requirements

A four-year high school diploma or its educational equivalent and one of the following:
1. One year of full-time satisfactory experience in the operation and maintenance of equipment used in the controlling or purification of water at facilities in watershed areas, reservoirs, or aqueduct systems; *or*
2. Two years of full-time satisfactory experience as: a mechanic, journeyman or helper in the electrical trades or mechanical trades; or a technician in a chemical processing facility or chemical laboratory.

Essential Skills

At the time of appointment to this position, you must have a motor vehicle driver's License valid in the State of New York. This license must be maintained for the duration of employment. All candidates shall be required to obtain and maintain any license or licenses necessary to perform the duties of the position.
