Re: North River Wastewater Treatment Plant (WWTP)
Cogeneration and Electrification Project
Part 201 Title V Air Permit Modification (DEC ID: 2-6202-00007)
Public Participation Plan Certification Document

Dear Mr. Cryan:

The DEP is hereby submitting the Public Participation Plan (PPP) Certification Document for the Title V Facility Air Permit Modification for the proposed North River WWTP Cogeneration and Electrification Project. The submission of the Public Participation Plan Certification Document concludes the public participation aspect of the Title V Facility Air Permit Modification Application.

The attached Public Participation Plan Certification Document, includes a written summary of the outreach conducted in accordance with the April 2013 Public Participation Plan: As required, this Certification Document, including its appendices, will become part of the permit application and will be made available to the public at the project's Document Repositories for a period of four (4) months after the issuance of the Final Title V Facility Air Permit by the DEC.

Please feel free to contact Shane Ojar, Director of Community Partnerships, at (718) 595-4148 or Frank Giardina, Accountable Manager at (718) 595-6108, if you need further information.

Sincerely,

FOR

James Lauria, P.E.
