## Parking Protected Bicycle Path Extension

Manhattan, 2014

A photograph of the Willis Avenue Bridge, a large steel truss bridge. A blue sign with white text reads "Willis Avenue Bridge". The bridge has a wide, paved shared-use path on the left side, separated from the roadway by a concrete barrier. A person is riding a bicycle on the path, and another person with a backpack is walking. Several cars are visible on the roadway to the right. The sky is clear and blue.
