Statement of Public Interest:

798 Ninth Restaurant LLC, 798 Ninth Ave, New York, NY 10019

The issuance of an on-premises liquor license to 798 Ninth Restaurant LLC is in the best interest of the community for the following reasons:

This restaurant, which will do business as The Meatball Shop, will be the sixth location of the extremely popular, local, restaurant group, which has earned accolades for the quality of food, service and ambiance. The restaurant features meatballs of all kinds – beef, pork, chicken, and vegetarian - as sandwiches, over pasta, and as sliders. Prices for dinner items are generally under \$10, an affordable price point for a quality dinner destination on the Upper West Side.

The managing members will take an active management role in overseeing the restaurant operations, and will be responsible for overseeing the overall operations of the restaurant. The principals divide time among all of the locations doing business as The Meatball Shop, and managers at each location report directly to the LLC managing members.

The location has been a restaurant for at least fifteen years (first with a restaurant wine license, then an on-premises liquor license). Since the premises are located just a few blocks away from the subway, it will not have a negative effect on traffic.
