**Re: Metronome Events Inc. d/b/a Providence, 311 West 57<sup>th</sup> Street**

Dear Commissioner Dykstra,

At its July 13<sup>th</sup>, 2004 meeting, the Business Licenses and Permits Committee of Manhattan Community Board No. 4 voted to recommend the approval with stipulations of the cabaret license application of Metronome Events Inc., located at 311 West 57<sup>th</sup> Street. The occupancy will be 750 and the total square footage will be 13,500. This applicant previously appeared before the Committee and the full Board for consideration of its liquor license application. During that appearance, the applicant stipulated to a range of conditions designed to allow its establishment to fit as smoothly as possible into its surrounding neighborhood. The applicant recommitted to these stipulations before the Committee voted on its cabaret license and the Committee's approval is based on that commitment. To the extent possible, Board 4 would appreciate it if this agreement could be incorporated into the eventual cabaret license.

The agreed upon stipulations for Metronome Events Inc are:

1. Metronome Events Inc shall hire a professional acoustic abatement company with at least five years experience in the field of acoustic abatement to design acoustic abatement for the establishment with the goal of preventing noise and vibration from disturbing the nearby residences and businesses.
2. Metronome Events Inc shall follow the recommendations of the acoustic abatement company and incorporate their designs into the construction documents of the renovation.
3. Metronome Events Inc shall install a lockable sound system limiter to be adjusted only by the acoustic abatement company.
4. Metronome Events Inc shall hire a professional security company with at least five years experience in venue security and crowd control in New York City to:
  - a. Prevent illegal service of alcohol to minors

- b. Manage the dropping off and picking up of customers in the street to avoid unnecessary traffic congestion
- c. Manage the queuing and exiting of customers to avoid crowds and noise near the entrance/exit of the establishment

5. Metronome Events Inc shall use the adjacent building entrance only as an emergency exit.

At its full Board meeting on August 11<sup>th</sup>, 2004, Manhattan Community Board 4 voted to approve this recommendation with the above stipulations attached.

Sincerely yours,

Walter Mankoff  
Chair  
Manhattan Community Board No. 4
