

Attachment O: Price Proposal Form

Please complete this form for only one Class. Classes are described in RFP Section III.A. **Proposers that wish to propose in multiple Classes must submit a separate Price Proposal Form (original and copies) for each Class, in separate, sealed inner envelopes as described in RFP Section IV.A.5.b.**

Check One	Class	Name	Maximum Hourly Rate
	A	Custom Systems Development; Customization of Off-the-Shelf Systems; Off-the-Shelf-Products (e.g., tools, etc.)	
	B	Infrastructure	
	C	Senior Management	
	D	Miscellaneous	
	E	IT Security	
	F	Security Planning and Assessment	[see below]
<i>For Class F Only: Provide the proposer's standard hourly rates for each of the following titles. Enter "N/A" for any title not provided. Proposers that use a different title for any of the skill levels described should enter it in the space provided.</i>			
Title	Description	Equivalent Title	Standard Hourly Rate
Information Security Analyst EL (Entry Level)	Less than 2 years' experience with security policies, processes and standards, selection and deployment of technical controls, security analysis, data access, data manipulation, programming, testing and implementation, and technical documentation.		
Info. Security Analyst I	Same as Information Security Analyst EL but minimum of 4 years' experience.		
Info. Security Analyst II	Same as Information Security Analyst EL but minimum of 10 years' experience.		
Project Manager EL	Less than 2 years' experience in overseeing projects, comprised of deliverables and/or phases; typically coordinates and delegates the assignments for the consultant project staff numbering up to 5; focal point of contact for FISA/OPA regarding project status, meetings, reporting requirements, scope changes, and issues and concerns raised by FISA/OPA.		
Project Manager I	Same as Project Manager EL except minimum of 4 years' experience, and delegates assignments for up to 10 staff.		
Project Manager II	Same as Project Manager EL except minimum of 10 years' experience, and delegates assignments for up to 20 staff.		
Information Security Specialist EL	Less than 2 years' experience in a particular security-related field. Specialists typically have one or more relevant certifications, such as Certified Information Systems Security Professional (CISSP), CompTIA's Security+, ISACA's Certified Information Security Manager (CISM), Oracle Database 12c Implementation Specialist, Red Hat® Certified Security Specialist (RHCSS), etc.		
Info. Security Specialist I	Same as Specialist EL except minimum of 4 years' experience.		
Info. Security Specialist II	Same as Specialist EL except minimum of 10 years' experience.
