CITYWIDE JOB VACANCY NOTICE

Civil Service Title: Computer Systems Manager	Level: M-II
Title Code No.: 10050	Salary: \$47,530 -\$101,608
Office Title: Chief Security Officer	Work Location: 125 Worth Street, New York NY 10013
Division/Work Unit: Division of Financial & Strategic Management/Bureau of Informatics and Information Technology (Administration)	No. of Positions: 1
Hours/Shift: Full-time	Position No.(s): 862007

JOB DESCRIPTION:

- Analyze privacy-protected software development techniques, authentication mechanisms, firewalls, data integrity methods, network performance monitoring, and intrusion detection systems to protect against security vulnerabilities.
- Coordinate client managers, database administrators, medical researchers, security architects and programmers to integrate a data security model.
- Facilitate data management of complex laws and best practices; including HIPAA on aggregating health data, Fair Information Practices on improving efficiency of health services, and Electronic Communications Privacy Act on monitoring employee IT use.
- Apply best practices for encryption to protect privacy while facilitating data linkage within software applications.
- Assure that there is no productivity decline due to enhanced security.

PREFERRED SKILLS:

- Knowledge of Security Policy and Data Encryption.

QUALIFICATION REQUIREMENTS:

1. A Master's degree in computer science from an accredited college and three years of progressively more responsible, full-time, satisfactory experience using mainframe, mini-or micro-computer technology in computer applications programming, systems programming, computer systems development, data telecommunications, database administration, or planning of data processing, at least 18 months of this experience must have been in an administrative, managerial or executive capacity in the areas of computer applications programming, systems programming, computer systems development, data telecommunications, database administration, or planning of data processing or in the supervision of staff performing these duties; or
2. A Baccalaureate degree from an accredited college and four years of experience as described in "1" above; or
3. A four-year high school diploma or its educational equivalent and six years of experience as described in "1" above; or
4. Education and experience equivalent to "1", "2", or "3: above. However, all candidates must have at least a four-year high school diploma or its educational equivalent and must possess at least three years of experience as described in "1" above, including the 18 months of administrative, managerial, executive or supervisory experience as described in "1" above.

NOTE: The following types of experience are **not** acceptable: superficial use of preprogrammed software without complex programming, design, implementation or management of the product; use of word processing packages; use of a hand held calculator; primarily the entering or updating of data in a system; the operation of data processing hardware or consoles.

IF YOU WERE EDUCATED IN A FOREIGN SCHOOL, YOU MUST SUBMIT A FOREIGN DEGREE EVALUATION, FROM AN APPROVED ORGANIZATION, WITH YOUR RESUME.
