**CITYWIDE JOB VACANCY NOTICE**

<b>Civil Service Title:</b>	Certified IT Developer (Applications)	<b>Level:</b>	I
<b>Title Code No.:</b>	13643	<b>Salary:</b>	\$58,383 – \$79,314
<b>Office Title:</b>	Financial Systems. Net Developer	<b>Work Location:</b>	125 Worth Street, New York, N.Y. 10013
<b>Division/Work Unit:</b>	Division of Financial & Strategic Management/Bureau of Finance & Planning	<b>No. of Positions:</b>	1
<b>Hours/Shift:</b>	Full-time	<b>Position(s)#:</b>	655506

**JOB DESCRIPTION:**

The Office of Financial Systems and Analysis is seeking an experienced Certified IT Developer (applications) to join our IT team. This individual will develop browser-enabled applications in a Microsoft (.Net/VB/SQL Server 2005/IIS) environment for the Bureau of Finance and Planning. The selected candidate will also be responsible to:

- Maintain and enhance existing internal finance applications for the Bureau of Finance and Planning.
- Interface with users of financial systems to gather, understand and implement system requirements.
- Consult on all data integration issues for projects that affect Finance and Planning.
- Create and maintain technical and user system documentation.
- Implement XML data exchanges.

**PREFERRED SKILLS:**

- Hands-on (*i.e.* not only classroom) experience developing in a Microsoft .Net/VB/SQL Server 2005/IIS environment for production systems (minimum 1 year in addition to any classroom experience).
- Hands-on experience with data security and encryption techniques and issues
- Hands-on experience developing for highly available systems (failover, disaster recovery).
- Hands-on experience defining, implementing and supporting systems of at least the same size and complexity as those for which the Bureau of Finance and Planning is responsible.
- Experience with developing financial systems a plus.
- Hands-on experience with XML data exchange
- Experience working as the primary support staff for critical systems.

**QUALIFICATION REQUIREMENTS:**

Professional/vendor certification(s) in computer applications programming that is required for the position to be filled.

In addition, all candidates must have the following:

1. A Baccalaureate degree from an accredited college, and two years of satisfactory full-time (not classroom based) experience in computer applications development planning, design, configuration, installation, troubleshooting, integration, performance monitoring, maintenance, enhancement, and security management;

or

2. A four-year High School diploma or its educational equivalent and six years of satisfactory full-time (not classroom based) information technology experience of which at least 2 years must have been as described in (1) above; or

3. A Masters degree in computer science or a related field from an accredited college may substitute for one year of experience. However, all candidates must have at least one year of satisfactory full-time (not classroom based) information technology experience as described in (1) above.

**NOTE:**

In addition to meeting the minimum Qualification Requirements:

Incumbents may be required to update existing and/or obtain additional professional industry-standard certification(s) for current and future technical environment(s) in which they may be assigned to work, as determined by the employing agency.

**SPECIAL NOTE:**

**ALL APPLICANTS MUST BE CERTIFIED BY MICROSOFT CERTIFIED APPLICATIONS DEVELOPER FOR .NET (MCAD).**

**TO APPLY, PLEASE SUBMIT RESUME ONLINE:**
